

REFUSE TO FOLLOW

Pro Staff Applicant,

Thank you for taking the time to apply with us. We feel that there are many attributes that define a great Pro Staffer. Being a great shooter or hunter are just a couple things we look for. Beyond that, we also look at a persons integrity, personality, and their drive to be proactive in different facets of archery. Along with those great qualities, we are looking for team members who will have a willingness to participate at multiple events within their region. The 2012 season is approaching and is going to bring with it a different vision for our Pro Staff.

The number of eligible spots on the team will be limited. To obtain or maintain a position on our Pro Staff each individual shooter will be judged according to current involvement in the industry as well as in their local area. We will be accepting applications until November 30, 2011, and selections will be made by December 15, 2011.

Being selected as part of the Pro Staff is going to bring advantages. We will allow our shooters to receive one free bow and then require them to purchase one more adult bow at a reduced team price. Shooters will also have the support of other companies who wish to cross promote their products through our co-op program. We would like to ensure that our Pro Staff is not only extremely knowledgeable about our products, but of all industry products to have a firm grasp on the pulse and direction of the archery market. We are very excited about the new format, and feel it will create a more knowledgeable team. In the event that you may not be selected for this year's staff we are also opening more opportunities through your local pro shop who may support you in becoming a shop shooter.

The following application is required to apply for the 2012 Pro Staff. This form must be filled out in its entirety to be considered for a Pro Staff position. Please return this application along with a shooting/hunting resume and a quick 2 minute video telling us about yourself and your interests. We will not require a video clip from those of you **currently** on staff. Please have all of your information in no later than **November 30th**. As mentioned above, we will have the Pro Staff selected by December 15th. We look forward to reviewing your information.

Take care and God Bless,

A handwritten signature in black ink that reads "Jason Arnold". The signature is written in a cursive, flowing style.

Jason Arnold
Team BowTech Manager

PRO STAFF APPLICATION

Name: _____

Address: _____ City: _____ State: _____ Zip: _____
