Please Note: The above complete information is required in order for this contribution to be used as a TAX CREDIT on your 2015 AZ State income tax report. If the information is incomplete, your contribution and form will be returned to you.

NO REFUNDS. The law provides for a credit on your state income tax return.

How does this work on my tax return?

Example: Say you made a \$300 tax credit contribution. When you file your state taxes, you will note the credit with a 322.

If your State tax return calculates to a \$500 refund, applying the credit will increase your refund to \$800.

If your State tax return calculates to a \$400 liability (you owe) then applying the credit will reduce your liability to \$100.

I would like my contribution to support the following:
