Due to the large volume of orders, you may order a maximum of 2 transcripts. Additional copies can be ordered in August if needed. All hard copies will be mailed home to you in an envelope I provide. No exceptions. No pick ups as I do not have a time to tell you when to pick them up. Transcripts will be ordered once you have actually graduated and the district downloads your final grades and graduation date. All orders should be completed and mailed to you June 16th.

Don't forget to order and include a transcript for NCAA if you are playing college sports. They will not let you participate in any practices without one!

Important note: Registrar's office is closed from June 17th thru July 28th

*Electronic Transcripts are Free.
