Currently, the University does not charge for transcripts. Transcripts are typically processed within 3-4 business days from the receipt of the request. Transcripts requested at the end of a semester/final grades posted or when certification is finalized would be sent once that specific process is completed. Transcripts are NOT released if the student still has an outstanding balance on their Notre Dame account. Notification to the student of any "holds" would be made at the time the transcript request is received.

Current students (or those with active WebAdvisor accounts) may request transcripts and check the status of their request by accessing their personal WebAdvisor account.

If there are any questions about the transcript request, the timing/distribution of the transcript or general processing questions, please contact the registrar's office at 410-532-5327 or registrar@ndm.edu.

I am unable to pick up my transcript(s) personally. I give permission for _____ to pick up my transcript(s). (PHOTO ID REQUIRED)

I authorize the release of my transcript(s) to the recipient indicated above for the Federal Family Educational Rights and Privacy Act (Public Law 93:380) I understand that my transcript(s) will not be released if I have an outstanding debt to the University.
