1. Select what type of business your company will be conducting (check all that apply):

Facilities based carrier - company owns and operates or plans to own and operate telecommunications switches and transmission facilities in Florida.

Operator Service Provider - company provides or plans to provide alternative operator services for IXCs; or toll operator services to call aggregator locations; or clearinghouse services to bill such calls.

~~N/A~~ **Reseller** - company has or plans to have one or more switches but primarily leases the transmission facilities of other carriers. Bills its own customer base for services used.

Switchless Rebiller - company has no switch or transmission facilities but may have a billing computer. Aggregates traffic to obtain bulk discounts from underlying carrier. Rebills end users at a rate above its discount but generally below the rate end users would pay for unaggregated traffic.

Multi-Location Discount Aggregator - company contracts with unaffiliated entities to obtain bulk/volume discounts under multi-location discount plans from certain underlying carriers. Then offers the resold service by enrolling unaffiliated customers.

Prepaid Debit Card Provider - any person or entity that purchases 800 access from an underlying carrier or unaffiliated entity for use with prepaid debit card service and/or encodes the cards with personal identification numbers.
