VICE CHAIRMAN IRWIN MOVED to purchase four (4) Tasers with holsters, data-port cord; and maintenance contract, for the Jail Facility, a budgeted item, through State Contract #ADSP015-080208, in the amount of \$4,344.20, partially funded through the AZDPA GIITEM Award. Motion seconded by Supervisor Clapperton, passed unanimously.

Vice Chairman Irwin recessed the Jail District Board of Directors and reconvened the Board of Supervisors at 10:19 a.m.

REGULAR AGENDA (*Discussion and possible action on the following items*):

Adopt Resolution No. 2014-32, a resolution of the Board of Supervisors of La Paz County, Arizona, approving the issuance of the Industrial Development Authority of the County of La Paz, Arizona (Imperial Regional Detention Facility Project) Senior Lien Refunding Project Revenue Bonds, Series 2014A-1 and the Industrial Development Authority of the County of La Paz, Arizona (Imperial Regional Detention Facility Project) Senior Lien Project Revenue Bonds Series 2014A-2, in one or more series, in an aggregate principal amount not to exceed \$115,000,000 (the “Bonds”) – Board of Supervisors

Gary Drummond, counsel for the Industrial Development Authority (IDA), stated that the Board had approved the proceedings for the issuance of bonds for the IDA’s Imperial Regional Detention Facility Project in 2013, already constructed and located in California. He explained that these bonds “contemplated” that there may be federal prisoners housed at this facility.

He stated the bond documents provided for the refunding of those bonds if there were to be a “negative tax event which affected the exclusion of interest in the gross income of the bond holders”. He stated that this has occurred; and additionally, a contract has been entered into with the US Department of Homeland Security, Immigration and Customs Enforcement to house federal detainees. He further explained that the 2013 bonds, of which a majority were tax exempt, have caused a “negative tax event”, which affects the exclusion of the interest of the bonds from gross income; and the bonds need to be refunded with taxable bonds.

He stated the IDA will issue bonds not-to-exceed \$115 million to redeem the 2013 bonds, construct an office building in addition to the facility, fund reserve funds for the 2014 bonds, and pay for the costs of issuance of the 2014 bonds, subject to approval by the Board of Supervisors.

He assured the Board that the bonds would be repaid by the revenues from the project and would not be an obligation of either the County or the IDA.

In answer to Supervisor Clapperton’s question, Mr. Drummond stated that the benefit derived from these proceedings’, such as the closing funds, would remain in La Paz County for “development revenue”.

Discussion ensued regarding the housing of federal inmates at the detention facility project, noting that this topic was of particular interest to the La Paz County Jail Facility; which appeared to be in direct competition for the same federal inmates, resulting in a possible loss of jail revenue for La Paz County.

Sheriff Drum questioned why the County would “entertain” such competition to the Jail, which translated into approximately \$2 million in funding for La Paz County Jail.

County Administrator Field stated that it was not initially apparent from the 2013 bond approval that the detention facility project would house federal prisoners and be in the position of taking this business away from the County. He expressed that he was not sure of the ramifications if the Board would not approve the bond process.

Mr. Drummond stated that the original issuance of bonds indicated there were possibilities of federal detainees at the prison project. He added that it is specifically the proceedings that the Board is asked to approve, not the bonding itself; and it may reflect negatively on any future attempts of this nature in La Paz County if not approved. He stated that the bonds have already been presold, and the bond issue will close in December.

He stated that he did not have answers for the federal inmate question; why federal prisoners were not coming to Arizona. He stated that he would be glad to go to the borrower and mention that there is a lack of federal prisoners in La Paz County and attempt to get some answers as to why.

Supervisor Clapperton stated that he felt the County was being “held hostage” by this situation and that the Federal government was taking advantage. He felt it was “only a perception” rather than a “statement of fact” that no one would come back to the County for bonding reasons.

Mr. Drummond, to the contrary, stated that he felt it was a “realistic perception”, because bond counsel comes to the “authority” to seek approval for the issuance of bonds; and if approval is not given, in this instance, to the IDA, he felt bond counsel will mostly likely not come back. He emphasized that he was not advocating the project itself, nor did he represent the Federal government; he represented only the County IDA, whose bond process was previously approved by the Board of Supervisors.

Vice Chairman Irwin expressed that she was also concerned that Jail revenues would be affected by this project, noting there were currently no federal prisoners here in La Paz County, and the documents indicated to her that it was possible that federal prisoners may have gone to California instead.

Patrick Ray, bond counsel, explained that nothing would affect the project’s jail facility or what type of prisoners that would be put in it. He stated the facility was built and in operation, and its operating contracts are already in place. He stated the only request before the Board today is the refinancing of this facility for the reasons explained. He added that the only effect will be to the IDA, who otherwise would not receive \$37,000 a year of revenue for economic development in La Paz County.

Supervisor Irwin asked how this revenue has benefited the County since the 2013 bond approval.

Mr. Drummond answered that those revenues went to a number of projects in the County, to the public parks, to the Economic Development Corporation; all back into the local community.

A brief discussion ensued, noting that La Paz County is not the only County affected, or has contracts with the various Federal agencies for prisoners.

SUPERVISOR CLAPPERTON MOVED to continue the adoption of Resolution No. 2014-32, to the next regular scheduled meeting of the Board of Supervisors on Monday, November 17, 2014, relating to the issuance of the Industrial Development Authority of the County of La Paz, Arizona (Imperial Regional Detention Facility Project) Senior Lien Refunding Project Revenue Bonds, Series 2014A-1 and the Industrial Development Authority of the County of La Paz, Arizona (Imperial Regional Detention Facility Project) Senior Lien Project Revenue Bonds Series 2014A-2, in one or more series, in an aggregate principal amount not to exceed \$115,000,000 (the “Bonds”). Motion seconded by Vice Chairman Irwin, passed unanimously.

#2014.TRC.421S11	-\$112.56	#2014.TRC.421S12	-\$115.42

VICE CHAIRMAN IRWIN MOVED to approve tax roll corrections in the net amount of -\$11,414.80, as presented by Chief Deputy Assessor Jones on behalf of Assessor Schuler. Motion seconded by Supervisor Clapperton, passed unanimously.

Approve Memorandum of Understanding (MPU) with Western Arizona Council of Governments (WACOG) relating to three reach-in freezers provided three La Paz County Food Banks – Community Resources

Grants Administrator/Resource Coordinator Taft requested approval of a Memorandum of Understanding (MOU) with Western Arizona Council of Governments (WACOG) relating to the provision of three reach-in freezers for each of the La Paz County Food Banks. She stated that none of the food banks have operational freezers. She added that once bids are obtained, WACOG would provide the funding; and the food banks are required to submit reporting, which is required by the MOU.

SUPERVISOR CLAPPERTON MOVED to approve Memorandum of Understanding (MOU) with Western Arizona Council of Governments (WACOG) relating to three reach-in freezers provided three La Paz County Food Banks. Motion seconded by Vice Chairman Irwin, passed unanimously.

Approve contract with BI Incorporated for Global Positioning Systems for electronic monitoring – Probation

Chief Probation Officer Greene requested approval of a contract with BI Incorporated for electronic monitoring of offenders. He explained that daily costs of the system are incurred in daily fees and payable by the defendants using the system.

He stated that the monitoring used currently is used for only sex offenders; however, he plans for his department to use this “tool” in monitoring, and for pre-trial and post-conviction services.

SUPERVISOR CLAPPERTON MOVED to approve contract with BI Incorporated for electronic monitoring (as presented) for the Probation Department. Motion seconded by Vice Chairman Irwin, passed unanimously.

Approve terminating the existing Child Support Contract between La Paz County and the State of Arizona, thereby transitioning Child Support Services and Enforcement back to the State of Arizona – Finance

County Administrator Field stated that this item was before the Board after being continued from the October 20, 2014, regular meeting, and was brought to the forefront due to the recent fire at the offices of the Child Support Division. He added that the contract with the State regarding these services would normally be terminating in September of 2015, unless the Board chose to renew the contract.

Finance Director Hill stated that Mr. Scott Lekan from the Department of Economic Security, Deputy Assistant Director of the Division of Child Support Services, was present to answer any questions.

Supervisor Clapperton asked that Finance Director Hill expound on why this action is being considered by the Board, for the benefit of those that did not attend the October 20th meeting.

Finance Director Hill explained that the County’s Child Support Division was an ongoing topic at budget discussions because of the approximately \$80,000 - \$100,000 of funding required out of the General Fund to subsidize the State’s reimbursement of 66% of the costs to operate a County Child Support office. She stated that this amount of funding was becoming more and more difficult to carry when everything was “on the chopping block” to trim down expenditures.

She added that, when the fire occurred, the Child Support Division was moved to the Judicial Room, which was cramped, but operational, and she gave the Child Support staff “kudos” for doing such an outstanding job of getting the services back up and running in such a short time.

She stated that this situation brought the issue of the Child Support contract to the forefront once again, and options were discussed with the State, something the State was not surprised about; and the County “rapidly” worked on a plan to present to the Board that assured no one was left without a job, and that these essential services were continued.

Mr. Lekan stated that the State was committed to making the transition from the County to the State as smooth as possible. He stated the County Attorney's offices had done a "tremendous job" over the years with the program; being one of the more "high-performing" offices offering these services. He added that the State is committed to keeping an office and staff located in Parker.

A brief discussion ensued noting that Child Support Enforcement is in an "expansion mode" in the State; therefore, funding local services and its staff would not be an issue. Child Support Enforcement is mandated by the Federal Government and part of the Social Security Administration Act. The State is planning to make a large investment into replacing the current computer system operating these services.

SUPERVISOR CLAPPERTON MOVED to approve terminating the existing Child Support Contract between La Paz County and the State of Arizona, thereby transitioning Child Support Services and Enforcement back to the State of Arizona. Motion seconded by Supervisor Irwin, passed unanimously.

Approve proposal from Arizona Office Technologies (AOT) and Wells Fargo Financial Leasing, Inc., through State Contract, for the lease of one (1) Xerox 5890 copier, with high volume office finisher/fax/scanner machine, a budgeted item; and authorize the County Attorney to sign the agreement – County Attorney

Deputy County Attorney Buckelew explained that the County Attorney's office seeks approval of a proposal from Arizona Office Technologies (AOT) and Wells Fargo Financial Leasing, Inc., through State Contract, for the lease of one (1) Xerox 5890 copier, with high volume office finisher/fax/scanner machine, a budgeted item.

He further explained that Wells Fargo Financial Leasing, Inc., purchases the equipment, and leases it out, while Arizona Office Technologies performs the maintenance service. He added that this item would replace a copier that is well worn and has often needed repair.

VICE CHAIRMAN IRWIN MOVED to approve a proposal from Arizona Office Technologies (AOT) and Wells Fargo Financial Leasing, Inc., through State Contract, for the lease of one (1) Xerox 5890 copier, with high volume office finisher/fax/scanner machine, a budgeted item; and authorize the County Attorney to sign the agreement. Motion seconded by Supervisor Clapperton, passed unanimously.

Approve proposal from Arizona Office Technologies (AOT), and Wells Fargo Financial Leasing, Inc., through State Contract, for the lease of one (1) Xerox 5335 copier/fax/scanner machine for the Child Support Services Division, a budgeted item; and authorize the County Attorney to sign the agreement – County Attorney

There was no action taken on this item.

La Paz County Board of Supervisors
Monday, November 3, 2014, 10:00 a.m. Regular Meeting

Approve to authorize the County Attorney to bring suit on behalf of La Paz County relating to enforcement of County Ordinances No. 92-01 and No. 2011-05 – County Attorney

Deputy County Attorney Buckelew requested authorization to bring suit on behalf of La Paz County relating to enforcement of County Ordinances No. 92-01 and No. 2011-05, relating to zoning, weeds and trash issues.

He gave a brief history of the situation, noting there had been ongoing violations relating to this case, followed up by citations, which were referred to the Hearing Officer; however, nothing has resolved the situation. He stated the Hearing Officer directed the County Attorney's office to refer the matter to Superior Court. He added that this item is now before the Board of Supervisors for approval.

SUPERVISOR CLAPPERTON MOVED to authorize the County Attorney to bring suit on behalf of La Paz County against Nick Acuna and Marcus Figueroa, their successors and assigns, as well as any other interest holder of record, to enforce County Ordinances No. 92-01 and No. 2011-05 (zoning, weed and trash, etc.) in reference to APN: 311-52-197, located at 31670 Carefree Drive, Parker, AZ 85344. Motion seconded by Vice Chairman Irwin, passed unanimously.

Vice Chairman Irwin recessed the Board of Supervisors and convened the Board of Equalization at 11:10 a.m.

Approve the minutes of the Tuesday, October 14, 2014, 10:00 a.m. special meeting

VICE CHAIRMAN IRWIN MOVED to approve the minutes of Tuesday, October 14, 2014, 10:00 a.m. special meeting of the Board of Equalization. Motion seconded by Supervisor Clapperton, passed unanimously.

Vice Chairman Irwin recessed the Board of Equalization and reconvened the Board of Supervisors at 11:11 a.m.

Call to the Public

George Nault expressed his disagreement with the Board of Supervisor's decision on transferring child support services to the State.

Richard Plump expressed his concern over construction taking place in on Highway 95 next door to his residence.

Supervisor Clapperton asked that County Administrator Field to look into Mr. Plump's issue.
