

## \$100 REBATE FOR VBBA FULL MEMBERS

The VBBA board has approved a rebate for equipment purchases of up to \$100 for full members. Vice President Salomone released the announcement, which gave the rules and conditions. Basically, any **FULL** member club can submit receipts from the approved vendors and get a check from the VBBA Treasurer, Rich Arpi.

Here is the text of the message sent by Mr. Salomone:

*Dear members of the Vintage Base Ball Association*

*The elected officers of the Vintage Base Ball Association are pleased to announce that the VBBA will be subsidizing a one hundred dollar per member club equipment expense rebate program. What this means exactly is that the VBBA will be issuing a check for \$100.00 to each member club that supplies receipts for equipment purchases that equal or exceed \$100.00 from the following vendors:*

- A. Phoenix Bat Co.
- B. K & P Weaver
- C. 19c Base Ball
- D. Bulldog Bat Co.

*These vendors were chosen because of their long and impeccable track records and service histories in dealing with vintage base ball clubs. The Receipts must be submitted by the club captain and accompanied by a rebate application supplied by the VBBA.*

The rules governing this rebate are included in this newsletter and can be found toward the end of this document. A blank form is also in the newsletter.

If your club is not a full member of the VBBA, now is the time to update your membership. The rebate is for **FULL** member clubs only. See rule 10 for more information regarding membership.
