Dear RCNS Parents, Teachers, Neighbors and Friends,

We are excited to present our 2013 Silent Auction Catalog. Thank you to everyone who has generously donated to the Auction this year. The Yellow Balloon Fair and Auction are a testament to how much a community can achieve when everyone comes together to work towards a common goal – to provide a quality, educational preschool experience for our children, and a special sense of community for our families. The creativity and effort put forth by so many is greatly appreciated.

Take your time perusing the catalog. We are pleased to offer over 190 items this year. You will find many practical and useful items as well as many unique and special one-of-a-kind items. We have worked very hard to find something for everyone! Print the catalog at home, make notes and bring it with you to the auction. You will find a “My Wish List” page included at the end of the catalog. Note the items that are of interest to you and be sure to get your bid in early! This page can be useful during the Auction, so you don’t forget to update those bids.

Please pay particular attention to the list of our Donors at the back of the Catalog. Please “Pay It Forward” to the generous merchants that donated items and reward them with your patronage. Take the time to thank them by liking them on Facebook and giving them a positive review on Yelp and Google.

Just as last year, we will offer an additional check-out option. No longer will it be necessary to be present at the end of the Auction. Of course we encourage people to pay and pick up their items the day of the Auction, but if you prefer, we have an alternative for you. If you have a winning bid, you will receive notification by email along with instructions explaining payment procedures. You will even be able to complete your payment from home with a credit/debit card via PayPal. We hope this encourages more bidding, and it will allow parents the freedom to get their child(ren) home earlier after a full day of fun.

Please feel free to share and forward this catalog along to your friends, family and neighbors.

Special thanks go out to everyone who has helped make this event possible by generously sharing their time, knowledge and resources. We couldn’t do it without you!

Have Fun! See you at the bidding tables!

Warmly,

2013 Silent Auction Committee
