Plan Review Required:

This is not a permit. Installation may not begin until a fire alarm permit has been secured. Four sets of stamped plans and calculations and cut sheets must be submitted with an application for Plan Review by the Fire Department, and the appropriate fee paid before a permit can be issued. Work completed prior to issuance of a permit may result in a Double Permit Fee.

Plans and specifications are required for all installations and alterations to Fire Suppression, Detection, and Notification Systems.
