

Aftermarket parts and equipment in the following categories must be approved by AMA Pro Racing and be listed on the Eligible Equipment List before they can be used by competitors in American SuperBike Series competition, and each company with approved equipment must post Contingency Awards for those products. Each company posting Contingency Awards may approve as many products as the company wants, and only pays a single \$500 registration fee. Each category of product and each championship class will have its own Contingency Awards postings.

**Bodywork – Bodywork, ducting and windscreens**

**Brakes – Brake rotors, master cylinders and calipers**

**Crash Protection – Engine covers, case covers and guards**

**Drive Systems – Sprockets and chains**

**Electronics – Engine Control Units: Stand-alone and piggyback style, instrument panels**
