

504/ADA SELF-EVALUATION AND ASSURANCE OF COMPLIANCE

Instructions

504/ADA Self-Evaluation Questionnaire Form

This form will help you evaluate your organization's or firm's programs and services, employment, and facilities to ensure they are accessible to people with disabilities. Complete the 504/ADA Self-Evaluation Questionnaire and keep it on file at your office. Do not return the questionnaire with your contract.

“Quick Look” Barriers Checklist

Note: Companies or organizations that provide services outside their office do not need to write a corrective action plan for physical accessibility as long as the services are provided in an accessible location for people with disabilities who cannot access the office. However, physical access must also be reviewed in light of hiring an individual with a disability or accommodating a current employee who becomes disabled.

504/ADA Assurance of Compliance Form

All contractors must complete this form. Governmental agencies and contracts for the direct purchase of goods are exempt.

- **Complete this form.** If your organization or firm is out of compliance with any of the 504/ADA requirements, indicate on the 504/ADA Disability Assurance of Compliance form the corrective actions that will be taken to achieve compliance and the date these actions will be completed.
- **Sign the Assurance of Compliance form and send the original back with your contract.** Keep a copy of the form on file in your office for use during on-site reviews. You will be notified at least one week in advance of any scheduled review. (Note: This form may be used as an exhibit with other King County contracts for two years from the date the form is completed.)

If you have questions regarding this process, or if you require this material in an alternate format, please contact the King County 504/ADA Disability Compliance Specialist at 206-296-7592 or TTY Relay 711, or by e-mail at Civil-Rights.OCR@kingcounty.gov.

504/ADA General Information

Federal and State laws prohibit discrimination based on disability. Section 504 of the Rehabilitation Act of 1973, as amended (504), and the Americans with Disabilities Act of 1990 (ADA) require that King County and all organizations and firms contracting with King County, except those providing tangible goods, comply with the 504/ADA accessibility requirements.

Under 504 and ADA, a “qualified individual with a disability” is anyone who has, has a history of, or is perceived as having a physical or mental impairment which substantially limits one or more major life activities. Disabilities include, but are not limited to: mobility, visual, hearing, or speech disabilities; mental illness; epilepsy; learning disability; brain injury; HIV/AIDS; arthritis; cerebral palsy; multiple sclerosis; developmental disability; and alcohol and/or drug addiction.
