

Highview Middle School Math Team, 2009-2010

Welcome to Math Team! I'm glad you've joined us for a fun season of solving math problems, competing in math meets, and making new friends.

We'll be meeting on Mondays from 2:45 – 3:45 in room 208 at Highview, except for Mondays when we have meets. Here's our schedule of math meets for the year:

MEETS

Date	School	Address
October 12	Edgewood	5100 N Edgewood Dr. Moundsview MN 55112
November 2	Chippewa	5000 Hodgson Road North Oaks, MN 55126
November 16	Highview	2300 NW 7th Street New Brighton, MN 55112
December 14	Chippewa	5000 Hodgson Road North Oaks, MN 55126
January 11	Centennial	399 Elm Street Lino Lakes, MN 55014

Students should meet in the front lobby of Highview immediately after school on the days that we have meets. We generally will be back to Highview around 5:00 p.m. on meet days, and students will be able to call for rides from the Highview phone.

Please complete the bottom portion of this form and return it to me before the next meet. If you haven't submitted your payment yet, please bring \$12.00 to cover Math Team expenses as well. Checks can be made out to Highview Middle School.

Thanks for this opportunity to work with a wonderful group of students!

Andrea Quanbeck
Math Team Coach
