Dear Senior Parents,

Each year, a section of the yearbook is dedicated for the families of all seniors to display a special message and baby picture of their child. This allows the seniors to reflect on their childhood years and how far he/she has come.

The message: Enclosed is a message format for you to write your message to your son/daughter. Please see enclosed form to write your message (376 blanks for letters and spacing). Please write legibly, or type the message. If your message goes over the character limit, we will edit it to fit in the space allotted. (Please note that if two separate messages are desired, then they must be a combined length of 376 blanks and accompany the same picture.)

The cost: The cost is **\$40**, which funds a portion of the 2013-2014 yearbook (similar to business advertisements seen in other yearbooks). Please make checks payable to MVHS for \$40.

The photo: Your photos will not be returned. If you'd like to make a copy of your photo instead of submitting the original, please use a professional copy center such as Target or Walgreens. This is crucial to display the picture's best quality. Digital images may also be submitted on a photo disk or by email. Photos are cropped to fit the available space.

Please remember to bring your baby picture, formatted message, and check in to room 140 **NO LATER** than **Thursday, December 12, 2013**. Due to production deadlines, we cannot extend this deadline. Thank you for understanding.

We are also collecting group photos from childhood years of Mounds View students for the 2014 senior rewind section. This is optional and there is no charge. There is no guarantee that all photos will be used, but please feel free to submit several so there are a variety of options.

This is an example of a baby picture and message

Sincerely,
Jackie Bakos, Senior Yearbook Editor
