

SCCC Direct Student Loan Request Form

Students enrolled at least half-time (at least 6 credits) who have completed a Free Application for Federal Student Aid (FAFSA) for the current academic year are eligible to receive subsidized or unsubsidized Direct Student Loans.

Direct Student Loans are low-interest rate loans. They may be subsidized or unsubsidized. Students must qualify for subsidized loans by demonstrating financial need. The federal government pays interest on subsidized loans during in-school and other specified periods. The borrower is responsible for interest that accrues on unsubsidized loans.
