MEMORANDUM

TO: ALL REGIONAL AND COUNTY CD AND FSD STAFF

FROM: PAULA NEESE, DIRECTOR, CHILDREN'S DIVISION
ALYSON CAMPBELL, DIRECTOR, FAMILY SUPPORT DIVISION

SUBJECT: IRS 1099-MISC FORMS TO CHILD CARE PROVIDERS

REFERENCE: CHILDREN'S DIVISION
FAMILY SUPPORT DIVISION

Each January, the Department of Social Services (DSS) sends an IRS Form 1099 to all vendors informing them of their total income for the prior tax year. These vendors include counselors, attorneys, law enforcement agencies, child care providers, and many other types of vendors.

Child care providers are considered self employed and are responsible for paying any applicable federal, state, or local taxes as well as any other costs associated with running their business.

DSS child care providers will receive their IRS Form 1099 for tax year 2009 by January 31, 2010. Providers receive this form because DSS made a payment to them on behalf of a family or families in 2009, regardless of the month or year that child care services were rendered. This includes any back payment a provider received for years prior to 2009.

This information is mailed to child care providers to assist them in filing their personal federal and state tax forms. State and federal taxes are not deducted from the amount shown on the 1099 form. Although some vendors are tax-exempt non-profit agencies that are not required to file a return with the Internal Revenue Service, DSS is required to send IRS-1099 forms to all vendors.

Although child care payments are issued from two different databases within DSS, this year these payments are being combined and reported on one IRS-1099 form. **Child care providers will only receive one IRS-1099 form from DSS.** This memorandum discusses replacement procedures for all IRS-1099 forms.

PAYMENTS REPORTED ON IRS-1099 FORMS

This year, all IRS-1099 forms were generated from FAMIS, regardless of whether the payment itself was generated in FAMIS or in Legacy. Replacement requests for these IRS -1099 forms are handled by the centralized Child Care Provider Relations Unit (CCPRU) in Jefferson City.

Child care providers who received payment for children eligible through Protective Services categories **and** for Income Eligible children **will only receive one IRS 1099 form for tax year 2009.**

A sample of the FAMIS generated [IRS 1099 Form](#) is attached to this memorandum. The FAMIS generated 1099 forms also contain a [message page](#) informing providers of their income reporting responsibility.

FAMIS REPLACEMENT 1099 FORM REQUESTS - PROCEDURES

The 1099 forms are mailed to providers' addresses, as they appear in the FAMIS Resource Directory as of December 31, 2009.

Providers, who do not receive their FAMIS generated IRS 1099 Form by January 31, 2010 may request a replacement through your office or by calling 573-522-1385. If a request is made through your office, ask the provider to supply the following information:

- Name/Personal name or business name;
- Provider Vendor Number (DVN);
- SSN or TAX ID;
- Complete address as of December 2009 (number/street/city/state/zip code);
- Current complete address, if different from December 2009 address; and
- Current telephone number.

Staff responding to replacement requests should complete a [FAMIS 1099 Replacement/Information Form](#) and email it to the Child Care Provider Relations Unit at cd.askccpru@dss.mo.gov .

Providers are encouraged to allow sufficient time for mailing and time for the US Postal Service to return undeliverable forms to CCPRU before requesting a replacement 1099 form. CCPRU does not issue replacements for lost FAMIS generated 1099 forms prior to February 1, 2010.

Because IRS-1099 Forms are highly confidential documents, replacing a FAMIS 1099 form is considered only when the following conditions are met:

1. Replacements may be sent if all of the information listed under "Process for Replacing FAMIS IRS 1099 Forms" can be verified in FAMIS or the Vendor System. **Only the child care provider may request a replacement of their IRS-1099 form.**

2. Replacement forms are mailed to addresses as they appear in the FAMIS Resource Directory. Replacements are not mailed to an address that differs from the system address **until the new address is verified and the system is updated.**
3. When a child care provider requests that the replacement form be mailed to a new address, the provider must submit proof of their current and prior addresses.
4. Providers who contact CCPRU reporting address changes are instructed to submit proof of their new address to their local DSS office for counties not covered by CCPRU. **Address changes must be verified prior to changing it in the system.**
5. Replacement forms are not sent or faxed to the provider's spouse, attorney, accountant, or other third party, without written consent from the provider.

NOTE: CCPRU makes every attempt to mail replacements to providers as soon as possible. Due to the high volume of replacement requests, inform providers to anticipate their replacement 1099 form within three weeks from the date of their request.

FAMIS GENERATED IRS 1099 FORMS RETURNED TO CCPRU AS UNDELIVERABLE

Each year, the United States Postal Service (USPS) returns a high volume of IRS-1099 forms to CCPRU as undeliverable. The majority of these contain a USPS forwarding address label, listing the provider's new address. When returned 1099's have forward order address labels attached by the USPS, the 1099 forms will be remailed to addresses shown on the USPS label. Returned 1099's that are undeliverable and/or have no forwarding address will be logged as such and kept at Central Office until the provider contacts CCPRU and submits proof of a new address.

COUNTY RESPONSIBILITY FOR RETURNED FAMIS 1099 FORMS FOR NON-CCPRU COUNTIES

When your county receives the undeliverable 1099 form with a USPS change in address or moved left no forward label, evaluate if it is appropriate to close the current registration because of a physical move.

Release the 1099 to the child care provider upon proof of the provider's identity. You may mail the returned form to the provider at their new address as long as the provider's address is verified (See replacement procedures).

At no time should a Post Office box address be entered into the system as the provider's physical address or where care takes place. FSD/CD staff may enter a verified Post Office box or any other street address as the mailing address for contracted and registered providers.

Do not change the physical address of a licensed provider without approval from Early Childhood and Prevention Services staff in Central Office.

OTHER FAMIS GENERATED IRS 1099 FORM ISSUES

When a provider calls about an:

- Incorrect dollar amount;
- Incorrect Social Security Number or Tax ID number; or
- Incorrect Name

Instruct child care providers to submit a brief statement of their 1099 issue along with proof of correct information to:

Children's Division/Early Childhood/CCPRU
Attn: 1099 Correction
P.O. Box 88
Jefferson City, MO 65103-0088

If this documentation is received at local DSS offices, local staff is instructed to complete the FAMIS 1099 Replacement/Information Form and email it with the supporting verification to cd.askccpru@dss.mo.gov.

No corrections are made to FAMIS 1099 IRS Forms without proof of the change from the provider. When the provider submits proof of the disputed issue, Central Office compares the documentation to system information and a letter is sent to the provider informing them of the outcome.

Errors in income amount, name, or tax identification numbers cannot be resolved by a telephone call.

Reminder: A provider's tax identification number may be their personal Social Security number or a Federal EIN. The Federal EIN and SSN are both nine-digit numbers. An example of a Federal EIN format is 43-1234567.

Some providers also have a Missouri Department of Revenue sales tax exempt number, which is an eight digit number (12-123456). A provider may mistakenly submit their sales tax exempt number instead of their SSN or Federal EIN. If this occurs, you must request proof of their SSN or Federal EIN, as these are the only acceptable numbers for tax reporting purposes. **The Missouri State Sales Tax Exempt number is not valid for federal income tax reporting purposes.**

NECESSARY ACTION:

1. Review this memorandum with all Children's Division and Family Support Division staff.
2. All questions should be cleared through normal supervisory channels and directed to:
