Date Assigned Present Position <input type="text"/>	Supervisor Name <input type="text"/>	Review Date <input type="text"/>

Performance evaluations are intended to measure the extent to which the employee’s performance meets the requirements of a particular position and to establish goals for the future; strengthen the relationship between you and the employee; open up channels of a communication; appraise past performance; recognize good performance; identify areas that might require improvement; enable you to access your own communication and supervisory skills.

INSTRUCTIONS:

Listed on the following pages are a number of performance factors that are important in the successful completion of most assignments. A list of qualities has been included to assist in evaluating an employee’s performance in each area. Factors 1-11 apply to all professional/technical support staff. Factors 12-15 apply only to professional/technical support staff with supervisory responsibilities. To complete the Performance Appraisal Form, place an ‘’ under the level of achievement, which most accurately describes the employee’s performance on each factor.

In the spaces provided by each of the performance factors, you are encouraged to support your ratings with clarifying comments and specific examples which occurred during the review period that determined or affected the level of achievement marked. Factors rated anything other than “Meets Expectations” must be supported with examples or reasons. After the entire form has been completed and reviewed, the original is forwarded to the Office of Human Resources. Both the supervisor and the employee retain a copy.

DEFINITION OF TERMS:
