

Dear MMA Member:

As you know, the elections this coming fall will affect all elected positions within the state except for four State Supreme Court seats. The Movers PAC, which is the official state Political Action Committee of the MMA, is gearing up to participate in these elections, particularly at the House and Senate levels.

In 2014, the Governor and all Michigan Representatives and Senators will be up for election. We believe it is important to help elect officials who believe in a strong business climate and who support job providers. Michigan=s economic recovery can only be accelerated and maintained if businesses are permitted to thrive, grow and create new jobs in the process.

100% of your donation will be used to assist friends of the business community to get elected to office. The MMA Legislative Committee investigates and recommends contributions to both elected officials and candidates who support our business philosophy. Your participation is critical if we are to generate the resources needed to help elect a strong pro-business legislature.

PLEASE CONTRIBUTE to MOVERS PAC. By supporting your PAC, you are helping protect the interests of the moving industry. Deregulation is still a priority in other states and Michigan could easily become the target of the FTC or an intra-state initiative.

The MMA Movers PAC may only accept personal checks. No corporate checks are permitted. Please make your check payable to Movers PAC and send it to the MMA at 3721 W. Michigan Avenue, Suite 102, Lansing MI 48917. We also hope you will encourage your senior executive staff to contribute as well. Please feel welcome to copy this letter and distribute it among your management team. Donors will be recognized in our Winter newsletter, 2015 Annual Convention and will receive a Certificate of Participation.
