

Citizens' Council on Health Care

5th Annual Health Care Policy Event

Setting a Bright Course for Health Care

On the health care horizon loom rising costs for health insurance premiums, Medicare insolvency, the threat of public health care programs on state budgets, outside influences on medical decision-making, medical privacy issues related to electronic databases, and state universal health care laws such as the new Massachusetts health plan. Come hear national experts share their best ideas for sailing health care through these turbulent times—and into a bright future.
