Section 3 – Scope of Work	
Background	
<p>The Maryland State Department of Education (MSDE) exemplifies energetic leadership and innovative products and services to improve public education, library services, and rehabilitation services. The Agency has received Race to the Top grant funds from the US Department of Education to implement educational reforms in Maryland and improve the collection and dissemination of information on school and student performance.</p> <p>Several MSDE Race to the Top initiatives will implement new technology systems, train end-users on how to use them, and improve access and information provided by MSDE reporting information systems. Race to the Top educational improvement initiatives will also engage researchers, policy-makers, program managers, superintendents, administrators, teachers, and the public in MSDE’s improvement efforts.</p> <p>The purpose of this Request for Resume is to acquire a full time professional development specialist to design and implement a web-based portal that provides educators in Maryland with access to a variety of online and face-to-face professional development tools that will help them develop their individual professional development plans, and provide opportunities for educators to collaborate online. This individual will work with a full time contractual specialist in the Office of Teacher Effectiveness to meet the overall goals of this project. This project and other Race to the Top grant initiatives that can be viewed at: http://www.msde.maryland.gov/MSDE/programs/race_to_the_top.</p>
