**2. Educational credentials:** Submit official transcripts for all secondary or high schools, colleges, and universities you have attended. Official copies are issued directly by your school, college, or university in a sealed envelope and must bear the official stamp or seal of the institution as well as the signature of the appropriate official. If your transcripts are not in English, send a copy in the original language and provide a certified translation in an envelope sealed by the certified translator. Facsimile or electronic mail transmissions of transcripts will not be accepted.

If your institution or country issues only one original transcript, contact the Office of Admissions *before* submitting your transcript to prevent your original from being destroyed.

You may receive college credit for Advanced Placement (AP), International Baccalaureate (IB), General Certificate of Secondary Education (GCSE) A Level, or other advanced level examinations. Official results must be submitted to receive credit.

**3. English language proficiency:** If your native language is not English, you must submit official exam results from the Test of English as a Foreign Language (TOEFL) or the International English Language Testing System (IELTS) tests. The University of Oregon's institutional TOEFL code is 4846.
