GENERAL INSTRUCTIONS

- 1. Answer all questions and Sign the form.
- 2. Attach the appropriate fee and 20 contact hours of continuing education certificates, awarded within two years immediately preceding the application for relicensure.
- 3. Once the application has been received in the board's office, you must allow 10 working days to process a current nursing license.
- 4. Must have been employed in Nursing in the last four (4) years or held a valid Texas nursing license within the last four (4) years. A Licensed Vocational Nurse that has not practiced in the last four years will need to apply for a Six-Month Temporary Permit and is required to complete a board approved refresher course before the license is reactivated.
- List name, location, and dates of employment as a Licensed Vocational Nurse with your current employer during the last four (4) years.
- 6. Primary state of residence is defined as the state of a person's declared fixed permanent and principal home for legal purposes; domicile. Declaring a compact state, other than Texas, will cause your renewal to be rejected since you can practice in Texas on your declared compact state license. For more information regarding the compact, visit our web site at <u>www.bon.texas.gov</u> or the National Councils State Board of Nursing's web site at <u>www.ncsbn.org.</u>
- 9. For name change, you must submit a copy of legal documentation, e.g., marriage license, notarized statement or divorce decree which states the name change. Please indicate how the name is to appear on the license.

If you answered yes to questions 1-5 of the Eligibility Questions on page 2, you must provide the Board with the following information:

*QUESTION #1. The Board has determined that criminal behavior is highly relevant to an individual's fitness to practice nursing. Therefore, all criminal convictions or deferred orders, prosecution, or adjudication-a determination by a court that is withheld or delayed for a specific time period, must be reported to the Board. This includes offenses under the law of another state, federal law, or the Uniform Code of Military Justice that contains elements of criminal conduct. SUBMIT a personal letter of explanation describing each incident, the behavior that led up to the criminal order and your conduct since the order, and any rehabilitative efforts that have been performed since the order. In addition, SUBMIT the following documentation for **all** felonies and for **all** misdemeanors:

Certified copies of:

- 1. charges (indictment, information, or complaint);
- 2. disposition of charges (Judgment, Order of Probation, Sentence, and/or Deferred orders); and
- 3. evidence that the conditions of the court have been met.

(To obtain this documentation, contact the county clerk in the jurisdiction where the order was issued for misdemeanors; district court clerk for felonies.)

You may answer "NO" to the question of prior convictions <u>only</u> if you: (a) received a pardon; or (b) were adjudicated as a minor without a finding of "delinquent conduct". If you were ever required to register as a sex offender, you must answer "YES".

If you have questions regarding the outcome of any criminal matter, consult your attorney.

<u>QUESTION #2.</u> The Nursing Practice Act provides that a person's conduct in violation of the Nursing Practice Act or rules of the board may be considered as a factor in its deliberations regarding fitness to practice nursing. Therefore, if a licensee or applicant is the subject of a grand jury or governmental agency investigation, the information regarding conduct or behavior giving rise to the investigation may be relevant in determining a violation of the Nurse Practice Act or lead to the admissibility of relevant evidence of such violation. If you are the subject of a grand jury or governmental agency investigation, please SUBMIT the name and address of the investigating entity and an explanation as to the basis of the investigation.

<u>QUESTION #3.</u> The Board has determined that if any licensing authority has taken disciplinary action against a person for any reason, then those actions are highly relevant to an individual's current ability to practice nursing in the state of Texas. If any licensing authority has refused to issue a license, revoked, annulled, cancelled, accepted surrender of, suspended, placed on probation, refused to renew a license, certificate, or multi state privilege held by you or previously fined, censured, reprimanded or otherwise disciplined you, SUBMIT the names and address of the licensing authority who has taken action and a letter explaining the background of the action. Additionally, SUBMIT certified copies of

- 1. formal charges or allegations supporting the licensure action;
- 2. final disposition of the licensing authority regarding those formal charges or allegations; and
- 3. evidence that the conditions of the licensing authority's order or requirements have been met.

<u>*QUESTION #4.</u> The practice of professional nursing requires current fitness. The Board has identified certain disorders which, if occurring within the last 5 years, indicate a lack of fitness. The disorders are: schizophrenia and other psychotic disorders, bipolar disorder, paranoid personality disorder, anti-social personality disorder, or borderline personality disorder. If you have been diagnosed, treated or hospitalized for any of the above illnesses within the last 5 years, SUBMIT:

- 1. A report, on letterhead, from your physician, psychiatrist, psychologist or counselor, sent directly to this office, that includes: your diagnosis; treatments rendered; including current medications; prognosis; cognitive, affective, and emotional stability and continuing after-care recommendations, including reasonable accommodations needed to safely practice professional nursing, if any; and,
- 2. Verification of compliance with aftercare recommendations.

*QUESTION #5. The practice of professional nursing requires current sobriety and fitness. If you have been addicted to or treated for the use of alcohol or any other drug within the last five years, SUBMIT:

- 1. verification of treatment for substance abuse sent directly to the Board from the treatment center;
- 2. verification of compliance with aftercare recommendations;
- 3. evidence of continuing sobriety/abstinence, for example, current support group attendance; and
- 4. a personal letter of explanation with sobriety date and plan for relapse prevention.

*Pursuant to the Occupations Code §301.207, information, including diagnosis and treatment, regarding an individual's physical or mental condition, intemperate use of drugs or alcohol, or chemical dependency **and** information regarding an individual's criminal history is confidential to the same extent that information collected as part of an investigation is confidential under the Occupations Code §301.466.
