Because my attitude and behavior are critical to the success of California Dreamin<sup>2</sup> 2015, I agree to abide by the following:

1. I understand that as a participant in the Camporee, I am representing the Girl Scouts or Girl Guide movement, my community, and my country and I will do my best to bring credit to all by upholding the Girl Scout Promise and Law.
2. I will do my best to have a positive and cooperative attitude, to follow the event organizers' instructions, and to be on time for busses. I will be a team player, be sensitive to the needs of others, fulfill my assigned duties and responsibilities in a timely manner, and abide by the rules and standards set by the Girl Scouts of the USA and by my group without complaint.
3. I will keep myself healthy by staying well-hydrated, eating a proper diet, getting enough rest, and dressing properly; and will not knowingly jeopardize the well-being of myself or others.
4. I will follow all existing and "suddenly created" safety rules, use the Buddy System at all times, and refrain from inappropriate liaisons. Separating myself from the group without permission of the responsible leaders may result in expulsion from the trip.
5. I understand that the use of obscene language, alcohol, illegal or unauthorized drugs, or tobacco products will not be tolerated, and that usage during the trip will result in expulsion from the Camporee.
6. I will be responsible for my belongings and will not hold my patrol members, Camporee volunteers, Girl Scouts of Northern California, or Girl Scouts of the USA responsible for their loss or damage.
7. I understand that I will be living and interacting with people from different parts of the country and world, from different cultures, and from different time zones. I will do my best to respect differences and adapt my behavior as appropriate.
8. I understand that failure to abide by the terms of this agreement can result in my being sent home immediately from the trip at my own arrangement and expense.
9. I will do all that I can to ensure the well being of the girls in my care, guide them to make appropriate decisions and have fun.
