Tailings and Mine Waste Management for the 21st Century

AN INVITATION

On behalf of The AusIMM and UNSW Australia, it is with great pleasure we invite you to participate in the inaugural Tailings and Mine Waste Management for the 21st Century conference from the 27–28 July 2015, held in Sydney, Australia.

This newly developed series is a golden opportunity for interchanging innovative ideas and will provide numerous opportunities to network with consultants, engineers, industry representatives, regulators, researchers and academics to discuss state-of-the-art developments around the world. Conference delegates will take part in an extensive and focused technical program that will promote and encourage professional development.

There is no doubt that the minerals produced through mining have been providing the basics for human civilisation, yet the legacy of the 20th century has been the production of billions of tonnes of mine waste and mill tailings. The mass mining concept as a viable approach for the foreseeable future is producing greater amounts of waste and mill tailings, and this conference seeks to discuss alternatives to manage this in a more sustainable manner.

The Tailings and Mine Waste Management for the 21st Century conference committee look forward to collaborating with your organisation to make this debut conference a success! We invite organisations to support the birth of this conference, and we guarantee a memorable event with great professional development and networking.

I warmly invite you to participate in this inaugural conference and we look forward to welcoming you to Sydney in July 2015.

Dr Farshad Rashidi-Nejad

3. If the exhibitors fail to comply in any substantial respect with the terms of the agreement, the organisers shall have the right to sell the space. If in the event of the exhibitor failing to occupy the said space by the opening time of the show, the organisers are authorised to occupy or cause the said space to be occupied in such manner as it may be deemed best for the interest of the exhibitor and without releasing the exhibitor from any liability hereunder.
4. The organisers reserve the right to redesign the modular plans to the benefit of exhibitors and delegates as they see fit.
5. The organisers reserve the right to decline any application or modular space. No application will be considered unless made on the correct form and paid in full. This form is to be completed fully and without alteration, and stand modules are let on these conditions.
6. No stand will be held as let until this form is signed and returned to the organisers with full payment. In the event of the exhibition being cancelled, the organisers will return all payments but will not be responsible for the cost of any work carried out by the exhibitors or their contractors.
7. No exhibitor shall erect any sign, stand, wall or obstruction that in the opinion of the organisers interferes with an adjoining exhibitor.
8. No exhibitor shall display any advertisement on their stand for goods manufactured and/or sold, or services provided by a non-exhibitor unless written permission has been obtained from the organisers. Furthermore, no stand may be sublet in any manner without the consent of the organisers.
9. Exhibitors will comply with the rules and regulations stipulated by the organisers, the Health Department and the Metropolitan Fire Brigade as well as all relevant state and Commonwealth Acts.
10. The exhibitor will not damage any walls, floors or ceiling of the exhibition area in which the stand is located by nails, screws, oil, paint or any other cause whatsoever.
11. **Storage:** Storage of any products or materials (including packaging) is the responsibility of the exhibitor. The organiser is not responsible for providing storage space at the venue.
12. **Exhibitors liabilities:** Every exhibitor hereby accepts liability for all acts or omissions of themselves, their servants, contractors, agents and visitors, and undertakes to indemnify the organisers. To keep them indemnified against all liability in respect thereof and against all actions, suits, proceedings, claims, demands, costs and expenses whatsoever, which may be taken or made against the organisers, or incurred or become payable by them arising out of the supply by the exhibitor of samples of any kind whatsoever whether such samples be sold or given away free and including any legal costs and expenses and any compensation costs and disbursements paid by the organisers on the advice of counsel to compromise or settle any such claims. Notwithstanding the indemnity hereby given, the exhibitor undertakes to arrange appropriate third-party liability insurance.
13. **Insurance liability:** Neither the organisers nor the hall owners will be responsible for the safety of any exhibit or property of any exhibitor, or any other person, for loss or damage of, or destruction to same, by theft or fire or any other cause whatsoever, or for any loss or damage whatsoever sustained by the exhibitor by reason of any defect in the building caused by fire, storm, tempest, lightning, national emergency, war, labour disputes, strikes or lock-outs, civil disturbances, explosion, inevitable accident, *force majeure* or any other cause not within the control of the organisers, or for any loss or damage occasioned if by reason of happenings of any such event the opening of the exhibition is prevented or postponed or delayed or abandoned, or the building becomes wholly or partially unavailable for the holding of the exhibition. Microphones and music: The use of microphones and music is permitted, but the volume must not be such as to cause any annoyance to other exhibitors. The organisers reserve the right to prohibit its use if, in the organisers' opinion, any annoyance is being caused.

Dress standards: Exhibitors are to dress in a manner reflecting the delegates' clothing – business attire or very smart casual. Inappropriate footwear and dress in the view of the organiser will not be accepted. The organiser's decision is final.
25. **Right of rejection:** Exhibits are admitted to the exhibition and shall remain there solely on strict compliance with these rules and regulations. The organisers reserve the right to reject or prohibit in whole or in part any exhibitor or their representative in the case of failure to comply with the rules and regulations.
