

2012 Returning Staff Application

Dear CYO Summer Camp Alumni,

CYO Summer Camp 2011 was a summer we will never forget! From the addition of opening assembly in the chapel (start thinking up some new village cheers now) to the amazing soul foods that you each had with your cabins throughout the sessions, there is no doubt that those of you returning will help keep these new traditions alive! This application should only be used if you worked at CYO Summer Camp in 2010 or 2011. Employees from past years must go through the new hire process. In addition, having worked in the past does not guarantee you a job each year. Below is a list of things you should consider in preparation for submitting your application.

- ★ Look at our website... <http://camp.cccyo.org/about/>
 - You already know a lot about camp, but each year there is new information about programming that you should check out.
- ★ Look at the job openings
 - We have made some changes and encourage you to take a look at the new job descriptions. Furthermore when considering the available positions keep the following in mind;
 - Returning staff members receive an incremental increase as determined during the re-hire interview.
 - There will be a \$50 bonus awarded at the end of the summer for every new staff referral that is hired and completes the summer successfully.
