POLICIES AND PROCEDURES**

September 2012

Importance of Volunteers/Chaperones

We greatly appreciate all of our volunteers/chaperones who provide much needed assistance to students and teachers in so many ways, from attending school field trips and musical competitions to Agri-Science activities and athletics. Volunteers/Chaperones provide countless hours of support to our District, dedicated to being a part of the scholastic world of our students.

We value our relationships with parents and the larger community, and welcome the opportunity for community members to offer their valuable time to supporting the mission of our District – to provide all students a secure learning environment and exemplary academic programs that inspire all students to reach their full potential.

This manual serves as a resource for all current and prospective volunteers/chaperones for the Ephrata Area School District. It contains District policies and procedures for volunteers/chaperones, including the processes to apply for clearances. Please contact the respective principal in the building where you seek to volunteer or chaperone if you have additional questions about the contents of this manual. You may also contact the Human Resources Department at (717) 721-1513 for answers to your questions.

The Ephrata Area School District is an equal opportunity educational institution and will not discriminate on the basis of race, color, national origin, sex, religion, or disability in any of its activities, programs, or employment practices as required by Title VI, Title IX, Section 504, and the American Disabilities Act. School Board Policies Addressing School Volunteers/Chaperones

The Ephrata Area School District has three Board policies that address important rules and procedures for volunteers/chaperones. Board Policy No. 916 – *School Volunteers/Chaperones* provides volunteers/chaperones with specific information about the types of volunteering opportunities and the guidelines and requirements. Board Policy No. 907 – *School Visitors* establishes procedures governing school visits and Policy No. 917 – *Parent/Family Involvement* outlines guidelines for effective involvement in the schools.

The Board recognizes the vital role parents/families play in the education, welfare, and values of their children. The district is committed to the belief that all students can learn and acknowledges that schools, families, and the community share a commitment to the educational success of students. As noted in Board Policy No. 916,

The Board recognizes that quality educational programs require the active support and involvement of everyone associated with our schools. School volunteers can make valuable contributions to the educational program. The use of school volunteers is endorsed by the Board, subject to legal requirements and administrative procedures.

The District categorizes volunteers/chaperones using the titles provided below:

- **Occasional Volunteer - Supervised**

Occasional Volunteers participate in classroom activities, without compensation, once or twice a year and are always in the physical presence of a district staff member. Occasional volunteers are never assigned to be alone with students.

- **Field Trip Chaperone - Supervised**

Field Trip Chaperones participate, without compensation, in a field trip during which they are always in the physical presence of a district staff member. In this activity, the class stays together, does not break into small groups, and the chaperone is never assigned to be alone with students.

- **Regular Volunteer or Event/Field Trip Chaperone - Unsupervised**

Regular Volunteers or Event/Field Trip Chaperones participate, without compensation, in activities in the classroom on a regular basis. They may work individually with students in a variety of capacities and may work without the physical presence of a district staff member. A parent who comes to a classroom or the school on a regular basis to work with small groups of students is an example of this type of volunteer. Athletic and band volunteers are also examples. This volunteer/chaperone type may participate in field trips during which they are assigned responsibility for a small group of children that breaks away from the larger group and/or may also act as a chaperone for over-night field trips.

Steps for Becoming a Volunteer/Chaperone and Policy Summary

For the safety of all students and to provide a secure learning environment, all volunteers and chaperones are requested to complete a **Volunteer/Chaperone Application Form**, a **Volunteer/Chaperone Disclosure Form**, and a **PDE Arrest/Conviction Report and Certification Act 24 Form**. Some volunteer/chaperone opportunities may also require background clearances and a tuberculosis (TB) test. Please note that there is a cost associated with the clearances and the TB test and these would be completed at the expense of the volunteer or chaperone.

Required clearances needed are based on volunteer/chaperone type. Volunteers/chaperones will be classified as one of the following: **Occasional Volunteer - Supervised, Field Trip Chaperone - Supervised, or Regular Volunteer or Event/Field Trip Chaperone - Unsupervised**. Please refer to the *Volunteer and Chaperone Requirements Quick Reference* in the Appendix section of this manual to determine the clearances necessary for your volunteer/chaperone type. The required clearances are issued through the Department of Public Welfare, Pennsylvania State Police, and the FBI. Tuberculosis (TB) tests are required in accordance with the regulations dictated by the Pennsylvania Department of Health and are administered by your personal physician.

Completed forms and certificates can be returned to your child's school or the Human Resources Office, Ephrata Area School District, 803 Oak Boulevard, Ephrata, PA 17522. To obtain forms, links to clearance websites, and more information regarding the clearances required based on the type of volunteer/chaperone activity performed, please refer to the Appendix section of this manual, visit the district website at www.easdpa.org (Community Resources/Parents and Guardians tab), call your child's school office, or call the District Human Resources Office at (717) 721-1513.

For families with multiple children attending one or more schools in the district, only one set of clearance documents per volunteer is necessary. Clearances will be retained in the District Human Resources Office and will remain valid as long there is no more than one (1) school year lapse between volunteer or chaperone occurrences. If a **break in service** does occur that covers a time period of one (1) school year during which an individual does not serve as a volunteer or chaperone, he/she will be required to renew the clearance checks. All volunteers/chaperones are subject to yearly review and approval by the building principal.

Volunteers may be allowed to either participate or chaperone at school or school-sponsored activities while awaiting the return of clearances, so long as they are being directly and immediately supervised by a District employee, not directly interacting with children and not volunteering for a period of 30 calendar days without such clearances. Prior to the start of the volunteering or chaperoning, volunteers/chaperones will need to sign the *Volunteer/Chaperone Disclosure Form* stating that their status as a working volunteer/chaperone is pending the results of the clearances. **No individual may be a Regular Volunteer or Event/Field Trip Chaperone - Unsupervised until all required clearances and TB test results are in the District's Human Resources Office.**

No individual will be approved to serve as a volunteer or chaperone if the criminal history, child abuse, or FBI reports evidence of an offense which would preclude him/her from being employed in a Pennsylvania public school under Act 34, Act 114, or Act 151.

An individual who desires to visit a school for a specific purpose, such as a scheduled parent-teacher conference, or provide a one-time service that may involve a presentation to a class or the school, is not considered a volunteer or chaperone. A visitor will not interact unsupervised with children, and does not provide ongoing service to the district.

If an individual already has clearances that were obtained less than a year from the current date (for a previous community/church activity, etc.), these reports may be provided to the Human Resources Office.

Guidelines for Volunteers/Chaperones

The following guidelines must be followed when providing services to the district:

- Volunteers/chaperones must honor all applicable privacy laws and regulations. It is expected that confidential information about students, staff, other volunteers, or school district business be maintained as confidential. Anything that is overheard concerning students or staff should never be shared outside the building.
- Volunteers/chaperones must sign in and out of the school office during all working hours unless they are working as an athletic coach.
- Volunteers/chaperones must wear the name tag/identification provided at the sign-in. Volunteer athletic coaches do not need name tags.
- Volunteers/chaperones do not assume the professional responsibilities of school staff. Volunteers offer support and operate under the primary direction of staff.
- Volunteers/chaperones are not permitted to directly administer student discipline outside of the guidelines established by the building administrator. Similarly, volunteers should not administer first aid unless in the case of an emergency.
- Volunteers/chaperones should honor that safety is a top priority. They should become familiar with the surrounding area and make note of exits and safety equipment. Volunteers/chaperones must remain calm and protect themselves and others from accidents and injuries. School staff or the building administrator should be contacted in the case of an incident, and any relevant information must be relayed. Any accident involving a

student, school staff, or volunteer that occurs on school property must be reported to the school office using the designated district accident report form.

- Volunteers/chaperones do not receive compensation for their services to the district. They are not Board-approved paid employees of the district.
- Volunteers/chaperones are provided the same liability insurance coverage during school-sponsored activities as provided for employees of the district.
- Volunteers/chaperones providing transportation to events with students must be given prior approval by the building administrator. Volunteers who transport students in personal vehicles must abide by all policies and procedures established by the district.

Compliance with Drug/Substance Abuse and Tobacco Use Policies

The Ephrata Area School District works to maintain a safe and drug-free school campus. The district prohibits the use of controlled substances and tobacco on school property. The Board prohibits the use, possession, distribution, and being under the influence of any controlled substances during school hours, at any time while on school property, at any school-sponsored activity, and during the time spent traveling to and from school and school-sponsored activities.

Act 191 of the Pennsylvania Legislature of 1988 24 P.S. 5-527 requires that any employee of the Ephrata Area School District who is convicted of the delivery of a controlled substance or convicted of the possession of a controlled substance with the intent to deliver shall be terminated from his or her employment with the district – regardless of where the violation occurred. The same policy applies to volunteers/chaperones.

The Ephrata Area School District is dedicated to providing a healthy, comfortable, and productive environment for staff, students, and visitors. Because the Board is concerned about the health of its employees and because it recognizes the importance of adult role-modeling for students during the formative years, a tobacco free environment is enforced. The Board prohibits tobacco use in a school building and on any property, buses, vans, and vehicles that are owned, leased, or controlled by the school district. The Board prohibits tobacco use at school sponsored activities that are held off school property.

The volunteer/chaperone position is a privilege and not a right. Any volunteer/chaperone position may be eliminated and/or a volunteer/chaperone may be removed from a volunteer/chaperone position at any time for any reason.
