III. PROGRAM OF STUDIES - DESCRIPTION

Druid Hills Middle School is a DeKalb County School that houses grades six, seven, and eight. Our school operates on two eighteen-week semesters. Classes are in session from 8:50 A.M. to 3:55 P.M. daily with five hours of instruction in language arts, mathematics, science, and social studies and project-based learning. Students also experience connections and/or elective classes each day.

IV. SUPERVISION OF STUDENTS

Upon arrival each day, students wishing to eat breakfast will report to the cafeteria. All other students will report to the gym. Students are not to be in any other part of the building before school without permission and supervision from a teacher or administrator.

When released from the cafeteria and gym, students may enter the main hallways, go to their lockers, and report immediately to their first period classes. Once students arrive at school, they may not leave the school without properly checking out through the attendance office.

Students are supervised after school hours only for school-sponsored meetings and activities. Parents should be prompt in picking up their children from school activities. Parents assume full responsibility for supervision of their children beyond a fifteen minute period after the closing of any school event.

V. SCHOOL AND PARENT COMMUNICATION

Druid Hills Middle communicates with parents through many different methods. The best and first line of communication is through direct contact with your child's teacher and/or team. Teachers are available during their planning periods or before and after school. You may call and leave a message and number where you can be reached or you may directly e-mail the party you wish to contact. Faculty and staff e-mail addresses may be found on the school's web site www.dekalb.k12.ga.us/-DruidHillsMiddle/. The school makes every effort to keep accurate student data, but if you have an address or telephone change, please let us know by calling the counseling office at 678-874-7632.

VI. GRADING SYSTEM

A report card will be prepared for each student each semester of the school year with the progress in each course designated. The grading scale for the DeKalb School System is as follows:

A	90-100	Excellent
B	80-89	Good
C	71-79	Fair
D	70	Passing
F	Below 70	Failing

CONDUCT: S = Satisfactory
N = Needs Improvement
U = Unsatisfactory

GRADE POINT AVERAGES: Grade point averages will be computed on a 4.0 scale:

A = 4 points
B = 3 points
C = 2 points
D = 1 point
F = 0 points

Identifying Honor Roll Students

First Semester: Honor Roll status is determined by final grades on first semester report card.

Second Semester: Grades appearing on the 13.5 weeks progress report are used to identify Honor Roll status. No subsequent grades can be used in determining Honor Roll status.

All recognition for first and second semester Honor Roll students will be included in the May awards programs.

VII. GUIDELINES FOR MAKE-UP WORK

1. In the case of missed assignments due to excused absences, the teacher may allow two to five days for completion. In making this determination, the teacher will consider the student's needs and the overall course objectives.
2. In the case of missed tests or quizzes, make-up arrangements will be determined by the teacher. Tests missed because of unexcused absences may receive grades of zero. Tests missed are to be made up before or after school at a time set by the teacher. Failure to be present for the scheduled make-up test will normally result in a grade of zero. Afternoon conflicts such as sports or extracurricular activities do not constitute an exception to this rule.
3. The teacher, in conjunction with the parent/guardian, counselor, and administrator, will handle cases of extended absences.
4. Teachers will establish specific guidelines for making up long-term assignments such as research papers or projects.
5. Students missing fewer than three days will receive their school work upon their return to school.

VIII. ACCOUNTABILITY FOR TEXTBOOKS/SCHOOL PROPERTY

The DeKalb County Textbook Policy states: *Students shall be responsible for careful stewardship of school property. Students who lose or destroy school property shall be required to reimburse the DeKalb County School Board of Education for the current replacement value of the item(s). Students who return school property which exhibits wear in excess of that which could be attributed to normal use shall be assessed for damages.*

Immediate written notice shall be sent to parents/guardians when a student needs to make restitution for lost, destroyed, or damaged school property. If restitution is not forthcoming in a timely manner, appropriate disciplinary action shall be taken to facilitate restitution.

Students who owe for lost, destroyed, or damaged property shall be denied the privilege of checking out additional materials until the DeKalb County Board of Education is compensated. Students may continue to use the school's learning resources or equipment within the confines of the school or media center.

Students who have failed to make restitution to the DeKalb County Board of Education for lost, destroyed, or damaged school property shall have their report cards withheld. Students who are immediately unable to pay for lost or damaged school property shall be allowed to pay incrementally. The payments will be based on a payment schedule developed by the school. These students will not

be issued another textbook in that content area until complete restitution is made.

IX. PROGRESS REPORTS & PARENT CONFERENCE NIGHTS

Throughout a semester, a student and his/her parents/guardians will be informed about his/her progress. Formal progress reports will be issued every 4.5 weeks. It is the student's responsibility to give the reports to their parents. If the report is unsatisfactory, parents and teachers are encouraged to meet to establish a plan of remediation that will enhance the probability of the student's success. It is the parent's responsibility to be informed of the dates when these reports are issued. When established, those dates will be posted on the school's website and listed in the school's newsletter, DRAGONNEWS.

Druid Hills Middle School will host four parent/teacher conference evenings. Conference evening times are 4:30-6:30 P.M.

X. ACADEMIC HONESTY

The expectation at Druid Hills Middle School is that students will not be academically dishonest, which includes both giving and accepting help on quizzes, tests, and exams, as well as plagiarism. If cheating occurs, the teacher will inform the student's parent/guardian. The student will receive a zero on the assignment and/or be referred to the grade-level administrator.

The following actions are considered to be academically dishonest:

1. Using unauthorized materials on an assignment, quiz, or test.
2. Receiving unauthorized information on an assignment, quiz, or test.
3. Knowingly giving information on an assignment, quiz, or test.
4. Providing specific information, questions, or answers to a student who has not yet completed or taken the assignment, quiz, or test.
5. Turning in someone else's work to receive credit.
6. Plagiarizing the work of another writer.

XI. COUNSELING CENTER

The counseling department acts as a support service for the entire school community. Counselors are constantly involved with parents and students to assist them in the areas of academics, careers, and personal/social skills.

Students who wish to speak with a counselor during class

time must have a pass from their teacher. Counselors are also available both before and after school. Helping students achieve academic success is the counselor's top priority.

XII. MEDIA CENTER

The Druid Hills Middle library/media center is open from 8:20 A.M. until 4:10 P.M. each day. Morning library passes (8:20 - 8:45 A.M.) may be obtained from the media specialist.

Druid Hills students have access to a collection of over 16,000 books, magazines, newspapers, audiovisual, materials, GALILEO, DeKalb Public Library databases, and other resources available through the Internet. Students may also use computers with *Inspiration, Publisher, MS Office Software*, digital video- editing, various photo-editing software, scanning, CD burners, and zip drives. All use of the Internet must be in accordance with the *DeKalb County School System Internet Policy*. Internet access is available to students only when working on class assignments.

Books and audio tapes may be checked out for three weeks and then returned to the circulation desk or orange book-drop in the hall outside of the media center. Materials may be renewed for an additional three weeks unless they have been placed on reserve. Late returns are subject to 10 cents per school day fine. Most reference books are available for overnight checkout. Students must pay full replacement cost of any books, tapes, CD's, or other media center materials or equipment that are lost or damaged while in their care.

XIII. FOOD SERVICE PRICES

Druid Hills Middle School offers both a nutritious breakfast and lunch program. Applications for Free and Reduced Meals will be distributed during the first week of school. These applications must be renewed yearly. If your child participated in the free and reduced program last year, that application expires August 21, 2013. Please submit a new application as soon as possible. However, if the need arises during the school year, applications can be processed at any time.

Meal prices are as follows:

	BREAKFAST	LUNCH
Full Price	\$1.25	\$2.00
Reduced Price	\$.30	\$.40

All students have an active cafeteria account. It is very beneficial to your child to keep a balance on that account.

There is no charging for meals at the middle school level. If your child has no money for lunch, s/he will be provided a cold sandwich and milk one time only. Please note that children tend to buy ice cream and extra items off their accounts. Therefore, be ever mindful that funds may deplete faster than initially calculated. Payments for accounts may be made in cash, check, or by going to mylunchmoney.com.

If your child has a food allergy, please advise the food service staff by providing a note from your child's doctor stating the allergy and the substitutions required. The cafeteria staff will assist in any way necessary to ensure your child receives a nutritious meal.

XIV. STUDENT LOCKERS

Students may go to their lockers before first period and then as determined by their team teachers. The following guidelines have been established for procuring and using student lockers.

1. **IMPORTANT NOTICE:** Lockers are not the private property of the students. Lockers are issued to students as a service and for their convenience. Students are responsible for the contents of their lockers. Lockers may be searched at any time by the administration without the student's consent. Lockers will be inspected at the end of each semester for vandalism. Students are responsible for the lockers vandalized with graffiti, obscenities, painting, and/or other alterations.
2. Lockers will be issued through core classes.
3. Unauthorized locks will be removed from the lockers.
4. The school cannot be responsible for losses from lockers that have been unofficially occupied.
5. Unauthorized entry or attempted entry of another student's locker is considered theft or intended theft and will be treated as such.
6. Students are not to share lockers with other students. Sharing lockers entails divulging combinations, thereby making it impossible to trace any sort of unauthorized entry into the lockers.
7. The school is not responsible for losses from student lockers; therefore, students are urged not to place valuables in their lockers.
8. If you have any problems with your locker, you are to speak with your homeroom teacher and/or school administrator.

XV. DISCIPLINE

It is the administration's desire that all students have every opportunity to take advantage of the instructional and extracurricular activities offered at Druid Hills Middle School. Appropriate disciplinary action will be taken against any student who violates DeKalb County school rules that are set forth in the system's *Student Code of Conduct*. Additionally, students must comply with the classroom policies set forth by their teachers. The *Student Code of Conduct* student handbook and the individual teacher's classroom policies will be thoroughly discussed in all classes by the classroom teachers. Each student will receive a copy of the *Student Handbook* and the *Student Code of Conduct* during the first few days of school.

Students who are suspended from school - either in-school or out of school - may not attend nor participate in extracurricular activities during the period of suspension.

XVI. DRESS GUIDELINES

All students are to be reasonably dressed and groomed so as not to distract the attention of others, to cause disruption, or to interfere with the educational program or the orderly operations of the school. In addition, the following rules apply:

1. Shorts may be worn only if they are of mid-thigh length or longer. Boxer-type shorts, swim trunks, soccer, biker shorts, and pajamas are not acceptable. For girls wearing skirts or dresses, the same rule regarding length of shorts applies.
2. Tank tops for boys and girls, strapless tops and dresses and thin straps (three fingers or wider) on top garments are not acceptable. See-through clothing (i.e. net, ripped, or holes) of any kind may not be worn to school.
3. Tops that expose the bare midriff are not appropriate.
4. All pants must be worn waist high and must be belted or have elastic or a drawstring to ensure that the pants stay at the student's waist. Belts must be worn buckled. Multiple pairs of pants may not be worn to school.
5. Suggestive or obscene writing or symbols such as those that promote violence, drugs, sex, alcohol, or tobacco on clothing and/or jewelry are not appropriate.
6. Caps, hats, headbands, bandannas, headscarves, and picks, for either males or females, are not to be worn in the building. Special permission is given by the principal to wear caps, hats, or Scarves for medical and/or religious reasons.
7. Shoes must be worn at all times. No bedroom slippers or bare feet are permitted. No flip flops, between the toe shoes without heels (including thong shoes with straps), and bedroom shoes are permitted.
8. Sunglasses are not permitted during the school day.

We ask that all parents/guardians help us to ensure that appropriate student dress is maintained. Appropriate school dress is essential to a sound educational atmosphere.

XVII. BUS TRANSPORTATION

Any student may walk to his/her designated bus stop and ride to school. Information on bus schedules will be available on the DeKalb School District's web site, Registration Day, and in the counseling office during the school year. Students are permitted to ride only on their assigned buses. Students wishing to ride home with other students must have written permission from their parents and approval from the principal. The written permission note should be given to the front office secretary before the beginning of 1st period. When verified and approved, the student will be given a school issued bus pass to ride on an alternate bus. The same rules of conduct that apply in school will also be expected on the buses.

XVIII. PARTICIPATION IN ATHLETICS

Seventh and eighth-grade students may try out and, if selected, participate on Druid Hills Middle's football, basketball, track and field teams, step/dance team or cheerleading squad.

Beyond these five athletic groups, eighth-grade students, if selected, may participate in Druid Hills High School's athletic programs at the B-team level.

XIX. ATTENDANCE PROCEDURES ABSENCES

Attendance at the middle school is taken by each period and by the day. Upon returning to school after an absence, the student must present a written statement from his or her parent or guardian stating the reason for the absence. Any absences that are longer than three (3) consecutive days require a physician statement to excuse the absence period. The student must give the note to the attendance office secretary before 1st period on the day that the student returns to school. The note will be verified as excused or unexcused, recorded, and kept on file in the attendance office for the remainder of the school year.

Lawful (excused) absences are defined by Georgia Law as follows: a) *Illness*; b) *Death in immediate family*; c) *Religious Holiday*; d) *Instances in which attendance could be hazardous as determined by the DeKalb County School System*; e) *Service as a page in the General Assembly*; f) *Visiting with a parent on military leave from active duty (please ask for details)*. Academic work missed due to lawful absences can be made up when the student returns to school. Students are responsible for arranging to make up the work they have missed during their absence.

An unexcused absence from school or from any given class is a serious offense and will be dealt with following the necessary disciplinary procedures. Students who miss six (6) days of school without an excuse will be given a DCSS generated letter that should be signed by a parent/guardian and returned to the attendance office. This letter details the DCSS and state of Georgia attendance expectations.

XX. CHECKING-IN PROCEDURE

The school day at Druid Hills Middle begins at 8:50 AM. All students are expected to be in their classrooms at that time. Any student who is not in their classroom will be considered tardy and must check in with the attendance office. All students must be accompanied by a parent/guardian when checking in late, or they must have a signed note from the parent/guardian or a doctor stating the reason for the tardiness. This note will be verified by a telephone call to the parent/guardian. Any student arriving to school tardy (after the start of 1st period) must wait in the front school lobby and sign the tardy log. The attendance secretary will verify the tardy excuse and either give the student an excused or unexcused tardy pass to class, based on the guidelines listed below. Excused reasons for tardiness are the same as for absences: a) Illness (for tardies, this includes physician and dental appointments); b) Death in the immediate family; c) Religious Holiday; d) Service as a Page in the General Assembly; e) Instances in which attendance could be hazardous as determined by the DeKalb County School System; f) Visiting with a parent on military leave from active duty (please ask for details). Chronic tardiness will not be tolerated for any reason.

XXI. CHECKING-OUT PROCEDURE

In order for a student to be checked out, an authorized contact must come to the attendance office and present a government issued I.D. If the student's records do not list this person as an authorized contact, they will not be allowed to check the student out. Authorizations over the phone will not be accepted. No students will be checked out after 3:30 PM.

XXII. MEDICATION

There are not nurses or clinics at the middle school levels in DeKalb County. Our Attendance Secretary does provide basic first aid services for the students. If your child has a medical condition that requires them to take medications during the school day, a DeKalb County physician statement must be filled out by the student's physician. The statement and medication must be brought to the school by the parent. All medications are stored in a secure lock box.

Students will report to the attendance office at the time specified to take their medications. The Student Code of Conduct clearly defines that that no medication, whether prescribed or over the counter, may be in the possession of a student unless the guidelines and procedures have been followed. If a student has allergies (including food allergies) that could result in a life or death situation, documentation must be on file with Ms. Cloud. If you need any additional information, please contact Ms. Cloud at 678-874-7620.
