This 'gift certificate' is intended to be presented to participants as they receive their *Certificate of Achievement* during Session 8: Celebration of New Beginnings. While giving such a 'gift certificate' is not a 'requirement', it does offer a wonderful way to encourage women to continue seeking spiritual enrichment as they move forward.

If you choose to present this certificate to participants, please email the *Ministry of Mothers Sharing* National Office the following information:

Participant's Name
City, State, Zip Code
Home Phone
Email Address
Community Name

Email momsnational@stpaulsmonastery.org with '8 Week Session Participants' in the subject line. Many leaders find it easiest to submit the participant roster spreadsheet or word document created during the registration process.

Note that *Ministry of Mothers Sharing* does not share this information with any other organization. The sole purpose of gathering this information is to provide individuals with the *Ministry* e-newsletter.
