Our Facility:

Camp Gordyland is 22 acres of property ideal for a rewarding camp experience. Included on the property is our pond, 25 yd. indoor pool, 50 meter outdoor pool, mini-golf course, Gaga Pit, Climbing Walls and Ropes Course, Baseball Fields, and Playgrounds.

Waterfront:

Our waterfront programs are one of the highlights of our camper's day. We strongly believe in providing a fun and safe atmosphere at our waterfront. Camp To Come To and Free To Be children are provided with a combination of general instruction and recreational free swim times throughout the week. Campers are encouraged to swim each day.

On their first day of each session, all campers will be given a swim test. This procedure allows us to place campers into a swimming group appropriate to their abilities.

A dock test must be passed at the beach in order to swim out to the dock, roughly in the center of the Pond. In order to pass the dock test, campers need to be able to swim out to the dock, tread water for two minutes without holding onto a lifeguard and swim back to the shallow end. Campers that pass the dock test will wear a bracelet to be easily identified.

The buddy system is used during free activity swimming. Buddy checks are conducted every 5 minutes to be sure all swimmers are accounted for. Our aquatics staff holds current lifeguard, first aid and CPR for the professional rescuer certifications. We also have implemented the Wahoo Swim Head band system for the additional protection of all of our Campers.

An air horn will sound in the event of a camper not accounted for at the swimming area or vicinity. The land and water will be searched until the child is located. All emergency procedures will go into effect with coordination of the Camp and Aquatic Staff. The Camp does practice these drills during camp hours. They are better known as "Pond Drills".

Rainy Days / Extreme Temperatures:

We do operate on rainy days. On these days, most activities take place inside the buildings and under tents. However, campers should be prepared with proper rain gear for transitions to and from program areas. Please send campers with a raincoat, extra clothing and closed toed shoes.

We also operate on extremely hot days. On these days, we make sure campers have ample opportunity to get drinks and be in the shade. Please send campers with a water bottle or an extra beverage for lunch. We do make every effort to provide campers with water based activities to keep them cool. Schedules will be modified accordingly based on weather conditions.

Campers can refill their own personal water bottle throughout the day at each activity location, all of which are equipped with a single serving water cooler.

First Aid:

Our Camp First Aiders adhere to state requirements for the administration of medication, oxygen and insulin. The camp first aider is stationed in the Camp Office located in the Meeting House. In the event of an emergency or illness, the Camp First Aider will notify parents/guardians after appropriate medical steps have been taken which may include calling 911. Please keep sick campers home so germs and illness will not spread to other campers and staff.

Unless otherwise notified, any camper that requires further medical attention will be transported to Norwalk Hospital. In addition, a doctor is on call and supervises our medical and emergency procedures.

All campers who receive first aid will have their injuries recorded in the First Aid Log Book by the Camp First Aider or appropriate staff person. Logs are reviewed weekly by the Camp Doctor. The Camp First aider will notify parents of mild injuries at his/her professional discretion and all serious injuries that occur at camp. On trips, Teen camp will be accompanied by a designated First Aider. Campers may be sent home for certain conditions such as Lice, or other skin ailments.

Emergencies:

We devote much time and attention to emergency procedures during our staff training in June. We have specific procedures for lost campers or members at the waterfront or on land as well as for fire, severe weather and medical emergencies. We practice these procedures during staff training and throughout the summer so that campers and staff will be prepared in the event of an emergency. The Wilton Y has also implemented a Lockdown procedure in light of recent local events, and it is also a part of the staff training.

Sunscreen:

We recommend that campers wear sunscreen everyday. Campers should apply sunscreen or bug repellent before coming to camp each morning. Under camp guidelines, staff cannot apply sunscreen. If campers need sunscreen reapplied during the day, please show them how and counselors will remind them to do so.

If your child's physician strongly recommends that he/she needs sunscreen reapplied, the Authorization for the Administration of Medications form must be completed by the physician. The camper will be taken to the Camp First Aider at the appropriate times for it to be reapplied.

Allergy Protocol:

With the growing number of campers with severe peanut/tree nut allergies, we are asking all camp families to refrain from bringing peanut/tree nut products to camp. Campers with peanut/tree nut allergies range in severity. Some react with mild skin hives while others experience life-threatening symptoms when they touch or even smell peanut/tree nuts.

If you are interested in bringing in cupcakes or baked goods for your child's birthday, please provide ONLY store-bought products that are sealed and contain the ingredients. All products need to be preapproved by a Camp Director before being served to campers to account for any other food allergies in the group.

Camp Gordyland's Protocol for a "Peanut-Aware" Camp

1. All lunches will be inspected by your child's Counselor before distributing lunch bags to the group.
2. Any foods that contain peanut/treenut products or are processed in a plant with peanut products will be discarded. Please inspect your child's snack ingredients for possible traces of peanuts/treenuts.

Lost and Found:

Please make every effort to label your child's belongings. Counselors will make every effort to collect all belongings before leaving an activity. Please remind your camper it is his/her responsibility to keep track of their own belongings. Have your camper look for their missing item at our lost and found bin located either on the drop-off field or in the main lobby before the end of the week.

Financial Assistance:

Financial Assistance is available to those who qualify. Applications must be submitted before registering for camp. Due to limited spaces after May, please allow enough time for your application to be reviewed and approved so you can register for your preferred camp weeks. Financial Assistance Forms, available at the front desk or on our website, must be completed and submitted along with a copy of last year's 1040 form as well as a copy of your most recent pay stub in a sealed envelope to the Y no later than May 1.

Registration:

Registration for summer is currently open. All registrations may be done on-line, if you have any questions or difficulty with registration, contact the camp office. Campers should be registered for the grade he/she is entering in September. Please note there is a difference of \$100 per week for non-members. To receive member pricing, a camper must have at least a full child membership. Memberships can be taken out on our website or by calling our Membership Director. If you purchase a membership on-line, please allow enough time for the membership to be processed before registering for camp to ensure correct pricing.

After May 1, there will be limited spots available, to ensure your camper is registered for your first choice in weeks, registrations should be completed before this date. Camp weeks will close the Tuesday of the week before to allow enough time to complete rosters.

Payment Schedule:

A payment draft will be set up for any balance remaining after the deposit is made. Drafts will begin on the 15th of the month following your registration. Balances will be divided into equal payments charged on the 15th of each month with the last installment being made on August 15. If you would like to make other arrangements regarding your camp balance, please contact the camp office.

Beginning May 2, prices will increase. On this date, any new camp registrations must be paid in full at the time of registration.

Camp Change or Drop Policy:

- There is a \$20 change fee for a change in camp weeks. The \$20 is non-refundable and non-transferable to other weeks, other camps or other programs. Any money paid above the \$20 will be transferred to the new week.
- If a week is dropped, the \$50 deposit will be kept. Any money paid beyond the \$50 will be issued as a Y credit. This credit may be used within a one-year period to pay for other camp weeks, other programs or membership.
- After June 1st, there are no credits issued of any kind.
- Change/Drop Forms are available on the website or in the lobby. These forms must be filled out completely by a parent/guardian and approved by the camp office.

Medical / Emergency Contact Forms:

Medical Forms are available on the website or in the lobby. They will also be emailed to you within a couple of weeks of registration. A physician must complete the medical form. Campers must have a physical within the past 24 months. A copy of a previous form, including a school medical, can be submitted as long as it meets the two year requirement. Parents are required to update the camp office with any changes in health status or medications between the time the forms are submitted and the end of camp.

Parents are responsible in filling out the Emergency Contact Form. Please be sure the form is filled out completely including, house number, street, town, state and zip code where required.

All forms are due two weeks prior to the campers first scheduled camp day. Emergency contact & medical forms must be received, reviewed and marked complete before any camper begins camp.

As we have a 24 hour processing time (paperwork needs to be submitted no later than 11:00am of the Friday prior to their first day), campers will not be able to begin camp if any paperwork is submitted, missing or incomplete on their first scheduled day.

Campers will be able to begin camp the following day assuming all paperwork is complete. The Camp First Staff will need this time to review all forms to make sure all questions are answered. **No child will be admitted into camp or on field trips without completed forms.**

Medication Policy & Forms:

All medications, including inhalers, must be given to the Camp First Aider for approval either before or on the campers first day of camp. Medications cannot remain with a child at camp; they will be kept in the Camp Office in a locked box. If your camper needs to take medication, either over the counter or prescription, during the camp day, our camp first aid provider can dispense medication if the following requirements are met:

1. The medication is in its original, sealed bottle/box with the campers name printed on the prescription.
2. A physician has filled out and signed the Authorization for the Administration of Medications Form and it is on file in the camp office. Forms are available on the website or in the lobby.
3. The medication has not expired.
4. Any remaining medication must be picked up by the parent on the last day of camp. One month after the last day of camp, per our camp regulations, all remaining medication will be destroyed.
5. A Camp Director will take your child to camp first aider to receive their medication at the appropriate time.

Camp Arrival:

Each Monday parents/guardians are required to escort campers to their group. The board located by the Free-To-Be and Camp-To-Come-To field will specify the camp group your child has been placed in.

In an effort to avoid parking shortages, Express Drop Off will be offered Tuesday through Friday, 8:55-9:30. Staff will be stationed outside to direct you and escort campers to their appropriate groups.

Camp Pick-Up Procedures:

The following procedures have been put into place for camper pick-up:

1. Campers must be picked up by a parent/guardian or by someone listed on the emergency contact form.
2. All campers **MUST** be signed out at pick-up. Please see the website for camp specific pick-up times.
3. No camper will be released to an individual if they are not listed on the emergency contact form as an alternate pick up or written permission has been received by a parent/guardian.
4. Photo ID is required by all persons picking up.
5. If you are picking your camper up early, please check in at the Front Desk. The Desk Staff will ask you to sign the check in book, and then call on the radio for a Camp Director to bring your child to the Lobby. Again, photo ID's will be checked.
6. We ask that you try to make all early pick-ups before 2:00 pm.
7. Failure to sign your child out may result in a "Lost Child" search until the child is located.
8. For all Camps, if you are more than 15 minutes late for pickup, an additional fee will be charged (\$10 for each 15 minute segment).

Extended Camp Care:

Extended Care is offered at an additional cost. You can choose morning care beginning at 7:30 am until the beginning of camp, afternoon care beginning at the end of camp until 6:30 pm or morning and afternoon care. Extended Care, "Happening Hive," for Busy Bees is available until 3:00 pm only. There is no requirement on the number of days. Forms are available on the website or in the lobby and need to be submitted to the camp office no later than the Tuesday of the previous week.

Please pick up your camper no later than 6:30 pm. An additional \$10 charge every 15 minutes will be charged for late pickups. If a child has not been picked up 6:45, the camper's parent/guardian will be contacted. If they cannot be reached, the emergency contacts will be called. At 7:00 pm, if staff is unable to contact an authorized person to pick-up, the Wilton police will be contacted for assistance.

*Nelsen, Jane, Lynn Lott, and H. Stephen. Glenn. Positive Discipline in the Classroom: Developing Mutual Respect, Cooperation, and Responsibility in Your Classroom. New York: Three Rivers, 2000. Print

Fourth Offense – Possible expulsion from camp.

Employee Code of Conduct:

We recognize that our employees are role models to your children. Please review our “Employee Code of Conduct” that outlines appropriate behavior.

The Wilton Family Y’s system of rules and regulations is designed to promote and enhance the quality care of our members and participants as well as organizations efficiency and safety. As a condition of continued employment, all employees are required to abide by the rules and regulations that are generally applicable within the Y as those that are effective within specified departments.

1. In order to protect the Wilton Family Y staff, volunteers and program participants, at no time during a Y program may a staff person be alone with a single child where they cannot be observed by others. As staff supervises children, they should place themselves in a way that others can see them.
2. Camp staff will use appropriate language and maintain themselves in an appropriate manner. Swearing is never acceptable: either by staff members or in music lyrics being played on camp grounds.
3. Staff shall not leave a child unsupervised during a program period at any time.
4. Restrooms Supervision: Staff will make sure that the restroom is not occupied by suspicious or unknown individuals before allowing children to use the facilities. Staff will stand in the doorway while children are using the restroom. The policy allows for privacy for the children and protection for the staff (not being alone with a child). If staff is assisting the younger children, doors to the facility must remain open. No child, regardless of age, should ever enter a bathroom alone on a field trip. Always send children in pairs, and whenever possible, with staff.
5. Staff should conduct or supervise private activities in pairs, especially when campers are changing clothes. When this is not possible, staff should be positioned so that they are visible to others.
6. Staff will respect children’s rights not to be touched in ways that make them feel uncomfortable. Other than diapering, children are not allowed to be touched in areas of their bodies that would be covered by a bathing suit.
7. Staff may NOT be alone with children they meet in Wilton Family Y programs outside of the Wilton Family Y. This includes, but is not limited to, babysitting, sleepovers, inviting children to their homes. However, parents of children in Y programs may authorize staff to baby-sit in the child’s home by signing a waiver form, which is available through the Y’s Executive Director’s Office.
8. Staff is NOT allowed to transport children in their own vehicles to and from Y programs and activities.
9. Adult staff may not date program participants, members, or other staff under the age of 18 years.
