5 FOR YOUR PROTECTION YOU ARE REQUIRED TO READ THE STATEMENTS BELOW, ANSWER ALL THE QUESTIONS AND SIGN WHERE INDICATED

(1) You do not need more than 1 medicare supplement policy.

(2) If you purchase this policy, you may want to evaluate your existing health coverage and decide if you need multiple coverages.

(3) If you are 65 or older, you may be eligible for benefits under medicaid and may not need a medicare supplement policy.

(4) If, after purchasing this policy, you become eligible for medicaid, the benefits and premiums under your medicare supplement policy will be suspended during your entitlement to benefits under medicaid for 24 months. You must request this suspension within 90 days of becoming eligible for medicaid. If you are no longer entitled to medicaid, your suspended medicare supplement policy, or, if that is no longer available, a substantially equivalent policy, will be reinstituted if requested within 90 days of losing medicaid eligibility. If the medicare supplement provided coverage for outpatient prescription drugs and you enrolled in medicare part D while your policy was suspended, the reinstituted policy will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of the suspension.

(5) If you are eligible for, and have enrolled in, a medicare supplement policy by reason of disability and you later become covered by an employer or union-based group health plan, the benefits and premiums under your medicare supplement policy can be suspended, if requested, while you are covered under the employer or union-based group health plan. If you suspend your medicare supplement policy under these circumstances, and later lose your employer or union-based group health plan, your suspended medicare supplement policy, or if that is no longer available, a substantially equivalent policy, will be reinstituted if requested within 90 days of losing your employer or union-based group health plan. If the medicare supplement policy provided coverage for outpatient prescription drugs and you enrolled in medicare part D while your policy was suspended, the reinstituted policy will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of the suspension.

(6) Counseling services may be available in your state to provide advice concerning your purchase of medicare supplement insurance and concerning medicaid.

If you lost or are losing other health insurance coverage and received a notice from your prior insurer saying you were eligible for guaranteed issue of a medicare supplement insurance policy, or that you had certain rights to buy such a policy, you may be guaranteed acceptance in one or more of our medicare supplement plans. **Please include a copy of the notice from your prior insurer with your application.**
