MAY/JUNE 2008

## FROM THE PRINCIPAL

With the end of the 2007-2008 school year fast approaching, it is a good time to briefly look back on many positive Homestead highlights. Hopefully your student has had a successful year through the achievement of goals in and out of the classroom.

From an academic standpoint we continue to be proud of the results we receive regarding student performance on standardized tests such as the ACT, SAT, Advanced Placement and the WKCE.

Quality extracurricular performances from our students in music, drama, forensics, computer science and math teams, Science Olympiad and athletics have been recognized through out the North Shore Conference and the state. School-wide events such as Homecoming, the AFS Variety Show, Prom and Post Prom were enjoyed by large numbers of students. Volunteer service in our school and community has never been stronger and flows out of government classes, National Honor Society, student social action clubs, the Merit Award program, etc. The above successes (and more) do not happen without the commitment and effort of dedicated faculty and staff working with your sons and daughters.

Thank you for the significant role you have played in the above accomplishments. It is rewarding to work with you on behalf of your children, and a special thanks goes out to the many parent volunteers who help us out so unselfishly throughout the year.

As we look ahead to next year, I would ask for your continued support of our efforts as we work through the difficult financial challenges in our district. Early in the new school year a plan will be laid out explaining how the district proposes to address the continuing budget deficit. Together we can all strive to be part of the solution.

May your summer be enjoyable, safe and relaxing and a special "Congratulations" to the class of 2008 and their parents.

Mark Roherty  
Principal

## HALL LOCKER CLEANOUT

Each student is issued a hallway locker at the beginning of the school year. As we come to the end of the year, please note that all lockers need to be emptied out by the end of final exams on Thursday, June 12. Later that day locks will be removed, and the custodial crew will begin the cleaning process. Personal belongings left behind by students will be collected. Those items will be kept in a lost and found area in the office until the end of June and then given to charity if not claimed.

We appreciate each student taking care of this clean out responsibility and also checking the lost and found box for any personal items, especially clothing, that have been missing during the second semester.

## HOMESTEAD PARKING LOTTERY 2008-2009

Homestead High School will continue to assign parking spots to next year's juniors and seniors via a computer lottery designed to determine the selection of spaces. During the week of May 19-22 students have been invited to register in the lottery. In order to register for the lottery students had to put down a twenty-dollar deposit toward a parking fee and have all detentions served that are on record. Next year's juniors and seniors will be assigned to numbered parking spaces based on preferences they indicate when they sign up online. The lottery has been designed to give priority to next year's seniors for the parking spaces. Future juniors will get the remaining spaces after seniors are placed. When available spaces are all taken, the juniors who do not get a space will be placed on a waiting list. **The computer lottery results will be posted on Tuesday, May 27.**

Students who want a parking spot at Homestead must have a valid driver's license or learner's permit by August, 2008. Administration will make ten spaces available for temporary single day parking for **seniors and juniors** who do not have reserved spaces. These spots are available at a daily fee of \$2 and allotted on a "first come, first serve" basis. Next year's **sophomores will NOT be allowed to park at Homestead.**

The parking fee for 2008-2009 will be \$300. Students will have already put down a payment of \$20 to be in the lottery. The remaining balance will be due during Homestead High School registration in August.

## SUPER MATHEMATICIANS

Congratulations to Homestead High School's Super Mathematicians Hannah Shaw, Jonathan Yu and Arjun Adusumilli who recently participated in a "Who wants to be a Super Mathematician" contest in Madison.

Twenty students from throughout the state were selected based on a qualifying test to compete in a contest similar to "Who wants to be a millionaire." All three Homestead students earned a cash prize by advancing to the final round, and additional prize money was earned by Hannah and Jonathan who tied for 2nd place overall.

## V.O.I.C.E.S.

V.O.I.C.E.S. (Voices Of Inspiration for our Children's Educational Support) has had the pleasure of presenting our *INSPIRE* award to eight deserving recipients this year. The *INSPIRE* award is given in appreciation to regular education teachers and staff who go out of their way to enhance the school experience of students who struggle. These professionals *inspire* students and others to see the *possibilities* and *capabilities* in every student.

The dedicated professionals who received this award this year are Mark Roherty, HHS; Carrie Wilson, Lake Shore; Tara Breikreutz, Donges Bay; Ellen Puerling, Donges Bay; Jill Anderson, Wilson; Mary Jo Tye, Oriole Lane; Bob Dunning, Donges Bay, and Deb Anderson, Steffen. Nominations for the inspire award can be made by e-mailing Bo Dowsett at [billnbo@aol.com](mailto:billnbo@aol.com) with the nominee's name and reason for nomination.

V.O.I.C.E.S. is comprised of experienced parents and staff working together to provide families in the M-T School District with guidance in accessing help for students who struggle. Our school district provides many resources to help ensure academic success for all students. V.O.I.C.E.S. welcomes your input and/or participation.

# OUTSTANDING STUDENT WRITERS

Congratulations to two outstanding freshmen students for writing excellence in response to the Holocaust Essay Contest, a program of the Harry & Rose Samson Family Jewish Community Center. Rahul Subramanian, son of Rama and Lalitha Subramanian, earned first place, and Robin Lieberman, daughter of Karen Lieberman, won second place in this essay competition. Responding to the prompt, "This year is the 70th anniversary of Kristallnacht, November 9-10, 1938. How was Kristallnacht a turning point in Hitler's war against the Jews? Do you see any parallels in today's world? Explain - why or why not," writing participants conveyed their opinions while simultaneously demonstrating outstanding writing skills. In Division I of this writing contest, over 230 students from sixteen different schools participated. Both Rahul and Robin are students in Mrs. Judy Johnson's Honors English 9 class. As first and second place winners, they will enjoy a trip, sponsored by the Habush Family Foundation, to the U.S. Holocaust Memorial Museum in Washington, D.C. Members of the Harry & Rose Samson Family Jewish Community Center officially honored these two students at the Holocaust Remembrance Ceremony held on Sunday, May 4th.

## LATINA VIVIT!

The results of the 2008 National Latin Exam are in and once again our Homestead classicists have shown that Latin is indeed alive at Homestead High School. This past March, 142 of our students participated in the National Latin Exam which was administered to nearly 150,000 Latin students throughout the U.S. We are proud to announce that nearly one-third of the students at Homestead achieved national recognition for their efforts.

43 Homestead Latin students received awards with 21 receiving either a gold or silver medal, achieving summa or maxima cum laude distinction.

In addition one of our Gold medalists earned the outstanding distinction of a "perfect" score on his exam. That individual is Jordan Kohner, junior. This is the first year Homestead has had a student receive a perfect score. In fact, last year, in the National Latin III Prose exam only 23 students out of nearly 18,000 exams received a perfect score. We applaud Jordan's achievement!

Homestead students who attained a GOLD medal in 2008 are: Jill Burton, Elizabeth Kontarovich, Kevin Schreiner, Jordan Kodner, and Brooke Schueller.

SILVER medalists include: Arjun Adusumilli, Sarah Balistreri, Marissa Buzzanca, Nika Gokhman, Michelle Hillenbrand, Lindsey Kent, Samantha Kailas, Olga Kontarovich, Katie Nash, Ben Peterson, Claire Prewitt, Justyna Przychocka, Tyler Ross, Tyler Schmidt, Max Silver, and Joseph Urbashich.

Great work Homestead! Optima opera Caledonii!

**ANNUAL ASBESTOS  
NOTIFICATION  
2008-2009 School Year**

Under AHERA (Asbestos Hazard Emergency Response Act), all primary and secondary schools are required to develop and implement a plan for managing all building materials which contain asbestos. Included in the AHERA Act is the requirement to annually notify all workers and building occupants (or their guardians) of asbestos-related activities.

Beginning in 1988, all buildings owned, leased, or "under the control of" the School District were inspected by EPA accredited inspectors, with building material samples analyzed by an independent laboratory. Based on the inspection, the School District prepared and the state approved a comprehensive management plan for managing the asbestos.

Where the asbestos-containing materials are found, the District has in place an Operations and Maintenance program.

The District has accomplished the following compliance mandates regarding the administration of asbestos in school buildings:

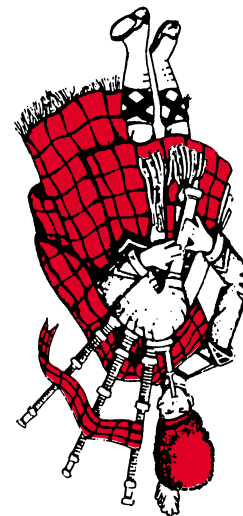

- Environmental Management Consulting, Inc. (EMC) was contracted to be the school's consultant for asbestos.
- The District is continuing with the Operations and Maintenance Program as designed for the School District. This ensures that all asbestos materials are kept in good condition.
- Periodic "surveillance" in each area containing asbestos has been completed every six months by our consultant. Also, the buildings are re-inspected by an accredited inspector every three years.

All outside contractors shall contact the lead maintenance person before commencing work.

A copy of the Asbestos Management Plan is available for review by contacting the school office. Questions related to this plan should be directed to the designated Asbestos Program, Manager, Jon Zickermann, who can be reached at 262-238-5659.

Our goal at the District is to be in full compliance with asbestos regulations.

It is our policy to maintain a safe and healthful environment for our students and our staff members.
