Please make your selections among the following book options. Graphistudio's patented continuous binding system allows the pages to lay perfectly flat, which guarantees seamless layouts.

For another primary book with different options, please complete another form, or use the note field in the tab.

Primary Book Sizes (cm)

The sizes are shown in cm.

The colored dots indicate the paper options available for each size. • Smooth paper, • Textured paper, • Perl paper, • Photographic paper and • Metallic paper.

None

Page thickness

Thin

Thick: This option provides a more rigid page and an heavier, classic style book.

Thin: This option provides a flexible page and a slim, trendy coffee-table style book.

Rigid: The pages become very rigid, similar to those of the traditional albums. The thickness increases considerably, giving the book its massive and linear outlook. The PVC insert is very light if compared to its width, therefore the book will remain stable over the years. It is available on all papers, on 20x30 or bigger albums, up to 50 pages.

Printed Hardback

The Small Copies are perfect clones of the main book and ideal gifts for parents and guests.
The cover design will be a replica of the Main Book's cover unless otherwise advised.

Parent books

Exact copies of the primary book, handcrafted with patented, continuous binding and thin pages. They include at your choice the dustjacket or the printed hardback cover.

For 20x30/20x20/30x20 cm books, all different types of paper and covers are available as extra options.

Pocket books

Exact copies of the primary book, printed on smooth paper, featuring our perfect binding and soft cover.

Ideal as gifts for guest and relatives, useful for marketing and to increase word of mouth referrals.

Calendar (12.5x18 cm)

Designed by you with GraphSoftware or by us with a selection of the images used in the book. It features: 7 pages in textured paper, spiral binding, delivered in a paper box.

An original gift personalized with the printing of the names/event on each page.

Names/Event

FIRST COPY IS FREE

Box, sleeves, Forms and Briefcases are intended for the primary book size. Should you need them for parent book copies (check price list for availability) please use the Note field below.

Box

A new line of accessories to give you even more options to choose from: these high quality boxes are the best choice to present the book.

Art Box

Highly customizable by printing your images directly on the material, it features a book lifting panel with an underneath DVD holder.

Stylish Sleeve

The elegant and refined Stylish Sleeve, is an evolution of the idea of the sleeve, featuring clean lines and a modern style.

Sleeves

Graphistudio's solution for the photographers that really care about their book presentation.

Available in the leather and leatherette collection, the coordinated sleeve adds a touch of elegance to the book, matching its cover and spine for a classic and timeless result. A perfect solution for demanding clients.

Cowhide

Forms

A new, revolutionary idea by Graphistudio.

A new concept, a simple idea, an ultra modern design: Forms gives a new shape to the photographic book. Only by Graphistudio. Impress your clients with the only product of its kind. Be first, be a leader. Forms can be ordered as a stand alone product. Each Forms is composed by two parts: a base that holds the book, available in different finishes, and a transparent cap. Simply select the option(s) you like and the quantity for each one.
