ARTI – Regional Agency for Technology and Innovation Puglia (IT)

Regional Development Agency

Economist - Technology and Innovation Manager

Expert of innovation and technology transfer, developing and implementing policy measures to encourage research collaboration and technology transfer; facilitate academic-industry links; enable new technology business ventures to move from concept to market, provide support to the improvement of the regional labour market.

Since 2007, he has been in charge of:

- setting up and coordinating the regional network of "Industrial Liaison Offices";
- organizing the annual regional business plan competition "Start Cup Puglia";
- coordinating the evaluation and monitoring system related to the research and technology transfer grants issued by the regional government;
- managing MET3, a transnational technology transfer project funded by the European Commission within the MED programme.

He is also a member in:

- the organizational committee for the Italian National Innovation Award;
- the evaluation committee of the regional programme for youth entrepreneurship "Principi Attivi".

He is constantly involved in international networks and cooperation programmes activities (Netval, Proton, MED, Interreg, ENPI-CBC, FP7, FOSEL Argentina, etc.).

From 2012, he is coordinating a programme "Innovazione per l'occupabilità", within the regional job creation scheme, for the implementation of innovative policies aimed at improving youth employment with a bottom up approach.
