## 22nd Annual Grade State Championships

2010 Youth Basketball Guide  
Official Tournament Information

## *Give it your best shot*

### **Dear Coaches/Directors:**

Introducing the 22nd Annual Minnesota Sports Federation Youth Basketball State Championships! Thanks to our cadre of volunteers, dedicated tournament hosts, and conscientious staff the MSF continues to provide wonderful opportunities for basketball players all across the state. The MSF prides itself on running high-quality invitational, state, and national tournaments each year. Once again this season, we will continue our tradition of excellent events.

Again this season the MSF will strive to use terrific facilities, quality registered officials, and helpful tournament staff, all at the lowest possible cost to the participants. Participating in MSF programs allows your team to enjoy many tournament opportunities, affordable insurance options, low equipment prices, and much more.

This year the MSF is working hard to make the youth basketball experience easier and more enjoyable for all participants. This year's guidebook features tournament dates, division distinctions, eligibility clarifications and past champions. Also, included in this book for the 2010 season is the inclusion of the MSF State Championships Official Roster. The roster must be completed and sent in prior to or at the seeding meeting to be officially entered in the State Championships.

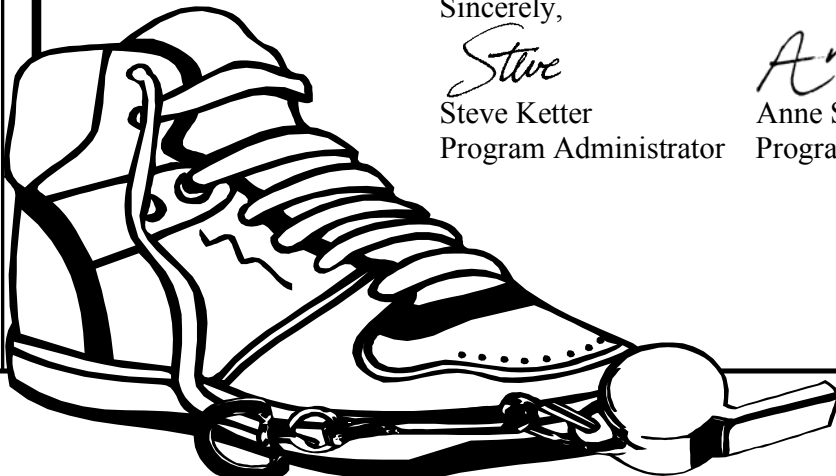

The MSF is excited to see your team at the State Championships in March. If you have any questions regarding the Boys State Championships contact Steve at 763-263-9993 x12 or [steve@msf1.org](mailto:steve@msf1.org). For Girls State Championships, contact Anne at 763-263-9993 x10 or [anne@msf1.org](mailto:anne@msf1.org).

## ★ The Role MSF Plays ★

The Minnesota Sports Federation (MSF) is a non-profit, non-tax supported public service organization which solely conducts recreational-amateur sports activities in the state of Minnesota. Members of the Federation receive many valuable services which enable them to enjoy recreational-amateur sports to their fullest extent.

The MSF mission is to provide wholesome community based amateur-recreational sports opportunities that promote fitness, personal growth, good sports and the development of lifetime leisure skills.

Since 1982, the Sports Federation has become a major organizational force in planning and executing amateur sports events for over 200,000 youth and adults in Minnesota.

To implement and conduct a program of this magnitude, the MSF relies on individuals who dedicate many hours of their time to the benefit of recreational sports enthusiasts throughout the state of Minnesota.

The MSF serves as the local association of the Amateur Softball Association - USA Softball, National Youth Basketball Council (NYBC), USA Broomball and the National Sports Federation. The ASA is recognized by the United States Olympic Committee as the National Governing Body for Softball.

The MSF is governed by an 15-member board which is comprised of players, coaches, program administrators and officials active in the sports community.

League, association, team and player membership in the Minnesota Sports Federation is voluntary and conditional upon members adhering to established rules and regulations and acting in the best interest of the ASA ♦ USA-MSF program.

Through the union of all eligible leagues, organizations, groups and affiliations with organizations devoted wholly or partially to the promotion of recreational sports, the MSF hopes to expand programs and services in the future.

The MSF is committed to serving amateur sports enthusiasts in an effort to enhance the quality of life for all Minnesotans regardless of age, gender, race, economic status or handicap.

## ★ General Information ★

The rules and regulations contained in this guide are not intended to limit or restrict play, but to promote fair play and provide a more enjoyable experience for all. Representatives designated by the MSF are empowered to apply the rules found here and also render decisions on situations not specifically covered by rule.

These rules and regulations apply only to those sports communities/leagues sending representative(s) to tournament play. Sports communities/leagues who wish to send representatives to district and/or state tournaments shall adopt and abide by the rules contained in this guide. Sports communities/leagues may augment these rules and regulations with any special rules so long as these rules do not create conflicts which result in ineligibility for MSF play.

**ENTRY FEE:** \$245

**FORMAT:** *3 games guaranteed. The MSF uses a Pool Play/Championship Bracket format which is more liberal than other organizations use, in that it guarantees that 50% of the teams will play 4 or more games.*

**ENTRY DEADLINE:** Boys State Championships 5th - 9th Grade - **February 5th, 2010**  
 Girls State Championship 5th - 9th Grade - **February 5th, 2010**

**CLASSIFICATION: TEAMS WILL BE CLASSIFIED BOYS AA, A, BB, B OR C AND GIRLS A, B, OR C FOR THE 2009 STATE CHAMPIONSHIPS.**

The MSF Coaches Meeting will be held prior to the tournament to: 1) rank the teams and if more teams apply than can be accommodated, select the most qualified teams; 2) classify teams into Division AA, A, BB, B or C; and 3) rank teams within each division to determine pools for pool play. All decisions made at the MSF Coaches Meeting concerning the selection, classification and seeding of teams are final! Teams are strongly encouraged to be represented - 1 vote per team. **Please see below for additional information regarding the coaches seeding meeting.**

Division AA is for the elite level teams. This division will be between 8-12 teams only. Division A is for the competitive A level teams. Division B for B teams and C for C or non-competitive teams.

Teams which finished first (and return four or more players) in class A, BB, B, or C at the 2009 MSF Championships must moved up to Division AA, A, BB, or B in 2010.

**COACHES' SEEDING MEETING:**

Seeding meetings are held to make sure that MSF Tournaments have the best competition within a division and 24 teams or less. To have a voice in the process, you must attend the meeting. Dates and times will be posted on [www.msfl.org](http://www.msfl.org) and noted in your confirmation letter.

**ROSTER:**

The official MSF Roster is included in this guidebook. The roster must be completed and submitted prior to or at the seeding meeting. Once a team's first game is started, no players may be added. (15 players can only be listed on one roster at the MSF State Championships)

**PLAYING RULES:**

NFHS and MSHSL rules shall govern play with MSF modifications. Rule modifications will be posted at [www.msfl.org](http://www.msfl.org).

**UNIFORMS:**

Teams must supply and wear jerseys which have at least 6" high, legible, permanent numbers on the front and/or back. Shirt bodies must be of identical color. Tape numbers are not acceptable. Note: teams with light and dark jerseys available are asked to bring both sets.

**OFFICIALS:**

Registered MSHSL officials will be used on all contests.

**ELIGIBILITY:**

***Please carefully review the eligibility section, as some changes have been made from previous year's requirements.***

***Players must reside or attend school within Minnesota...***

Exception: Minnesota border communities (i.e. Winona, Moorhead, etc.) are limited to no more than five players who reside or attend school in a neighboring state's border community. These players must be original members of the team, not added to the roster for the tournament.

***1. Players must participate on the team nearest to where they reside or attend school...***

If a player fails to make the team nearest to their residence or school they may participate with the team next nearest their residence or school. To qualify for this exception the player must first try-out for the team nearest their residence or school. This exception covers only players who try-out and do not make a team. This rule does not permit players who do not try-out, to play somewhere else. Also, this rule does not apply to players who were dismissed by a team for disciplinary reasons. A player who has been released from a team for disciplinary reasons must petition the MSF to be placed on another team to be eligible for any MSF tournaments.

**Teams must be based on Community, School district or School attending.**

**Exception:** A player who resides in a community where no traveling team, or association is present may play on the team next nearest to their residence or school.

2. Home-schooled players must participate on the team nearest to their residence or school district.
3. Open -enrolled students may compete on either the team nearest their school or residence but not both.
4. Player from split or joint custody homes can play for their residence or school nearest to either parent, but not both.
5. Players, teams, or coaches who have been disqualified by their local association for unsportsmanlike or other inappropriate acts, provided due process was provided, are not eligible for MSF State Championship play.

*The MSF strongly suggests that community based teams review these eligibility rules thoroughly. The MSF will not tolerate any attempts by any team to circumvent these published rules. Any circumstances not covered in these guidelines will be ruled on by the MSF offices, and all decisions regarding eligibility are final.*

**Prior to the MSF State Championships, all participants must have competed in four games (league and/or tournament) with the team they are participating with...**

Lack of four games played due to injuries is not an exception. For state championship play, it is permissible for associations with more than one team to combine teams if all players reside or attend school within the jurisdiction of the organizing body. If teams are combined, they must compete in a minimum of four games prior to the MSF State Championships. The combined team must play at the highest class that either of the teams had played at throughout the season.

**All players must meet one grade or age requirement...**

Documents to verify either grade or age eligibility are required in order to participate. Documents are to be brought to Team Check-In located at tournament headquarters prior to the team's first game. **Simplified method:** teams are encouraged to obtain a letter from the player's school(s) which lists all player names, grades and birth dates on school letterhead. This letter must be signed by a school official (superintendent, principal, attendance officer, etc.).

***A player or team may play up a grade division but not down.  
A player may only play in one MSF grade division.***

*4th grade teams that participate in the 5th grade state tournament may compete 1 class lower than their class level in 4th grade. For example, a 4th grade B team can play in the 5th grade C tournament.*

**MSHSL RULES:**

For a complete set of MSHSL eligibility rules relative to non-school participation, please contact the Minnesota State High School League at (763) 560-2262. Violation of any MSF or MSHSL eligibility rules will result in the disqualification of the team and possible additional penalties.

*MSHSL Rule: Students that have appeared on the roster of a high school's B-SQUAD, SOPHOMORE, JV or VARSITY basketball team at any time during the high school basketball season may not participate in the MSF Basketball State Championships until the season of the team they participated on is over.*
