SINCE 1893

PILLING & CO STOCKBROKERS LTD

Pilling & Co is proud to have offered skilled Stockbroking and Portfolio Management Services for over three centuries. Our head office is named after our founder, Henry Pilling, who launched the firm in 1893. We offer a professional and friendly service to clients from around the world and have also forged excellent working relationships with many Solicitors, Accountants and IFA's. We were pleased to receive numerous awards over the last decade from the Investors Chronicle voted for by their readers, the latest being for the UK's "Best Execution Only Stockbroker" for "Customer Service".

We pioneered Personal Equity Plans (PEPs) and their replacement Individual Savings Accounts (ISAs), and defined the development of this special market nationally. Our expertise in ISAs also covers "self-invested" Personal Pensions (SIPPs) of which many clients have already taken full advantage. In recent years we have added Child Trust Funds (CTFs) to the menu and more recently JISAs giving you the investment vehicles you need to look after all the family. However, we do not just give you sound information to enable you to choose your own investments, all administered by us, we also specialise in Investment Management and Discretionary Management services.

HEEE PEEEE HEEE
BE EE SEEEE, MEEEEEEEE M2 4AF

Our aim is to help you achieve your investment goals with the minimum of fuss. This is why we offer an unrivalled telephone service where calls to Pilling & Co go directly to experienced staff.

The main number **0161 832 6581** is answered by qualified stockbrokers who have immediate access to the markets and can normally deal for you instantly. We also have a direct line **0161 819 4850** to our administration department to save you annoying call transfers. This makes your phone call shorter and means your needs are dealt with more efficiently.

We find this the best way of giving you an efficient service, particularly in busy periods when rapid market movements mean a surge of calls. In volatile market conditions the ability to trade instantly is critical, which gives Pilling clients a major advantage. We pride ourselves on our ability to answer promptly, even in very busy periods.

Your Questions Answered

Q. What are JISAs?

A. Junior Individual Savings Accounts (JISAs) are tax efficient savings schemes in two separate components, Stocks and Shares (SAS) and Cash Account. We offer a Stocks and Shares JISA that also allows you to hold cash as part of your investment strategy. Investments in a JISA are free of capital gains tax.

Q. Who is eligible to open a Stocks and Shares JISA?

A. Anyone under the age of 18 who does not have a Child Trust Fund (CTF) and are resident in the UK for tax, or are Crown employees and spouse serving overseas.

Q. If a CTF has already been opened can it be transferred to a JISA?

A. Yes. However, features in a CTF such as lifestyling, minimum subscriptions and annual charge cap of 1.5% may not be included in the JISA. Please see the transfer form at the back of this brochure to transfer a CTF to a JISA.

Q. What type of JISA can be opened with Pilling & Co?

A. You can open a "execution only" stocks & shares JISA or "managed" stocks & shares JISA.

Q. Who chooses the Investments?

A. If you have selected our execution only option, you do. We try to make sure the investments you choose for your JISAs are allowed. However, we do not accept any tax consequences and/or liabilities of any kind should we later find that, whatever the reason, you have chosen non-qualifying or unsuitable investments. If you select the Managed option we choose the investments under a discretionary management agreement. (please see details of this on page 9).

Q. What are the tax benefits?

A. You pay **no capital gains tax** on investments in the JISA. Any dividend income received is also free from further tax and the income from the child does not count towards the parents income.

Q. How much can be invested in an JISA each year?

A. You can subscribe up to **£4,080** into JISAs in the current 2015/16 tax year. This whole amount can go into a Stocks and Shares (SAS) JISA or, into a Cash account JISA or any combination between the two providing you do not exceed the limit. Only one SAS JISA and one Cash account JISA can be subscribed to in any given tax year and only one SAS and one Cash JISA can be held by a child throughout childhood, as such you can only contribute to a Pilling SAS JISA if you do not hold another SAS JISA with another provider. You can use different providers for the two components.

Q. How can these contributions be made?

A. Contributions can be made by cheque, bank transfer or direct debit. You can contribute a lump sum or by monthly instalments. The minimum payment is £10 although investing this amount each month in an Execution Only JISA is not cost effective due to commission charges. If you choose to open an Execution Only ISA you should consider building up a larger cash balance before investing.

Q. What can be bought in a Pilling "execution only" JISA?

A. You can buy Qualifying shares officially listed on any recognised exchange. AiM shares, qualifying Investment Trusts, Unit Trusts, Open Ended Investment Companies and UCITS are allowed. You can also buy Gilts, Permanent Interest Bearing Shares (PIBS), Bonds, Convertibles and Preference shares. Extra charges may apply to some overseas stocks so you should check with us before dealing.

Q. What's excluded from JISAs?

A. Options, Futures, Nil-Paid Shares and Warrants and shares in unquoted companies are **excluded**.

Q. Can the investments be bought and sold within the JISA?

A. Yes. If you select the execution only option, you can trade as often as you wish, simply ring our team of dealers who will be pleased to assist you on **0161 832 6581**.

Q. How do you confirm deals?

A. A contract note is sent for every execution only deal showing price, commission etc. If you do not have a contract note, or the contract you have received is incorrect please tell us without delay and at least **within 2 business days**. Regardless of cause, we can accept no financial liability for missing or incorrect contract notes unless brought to our attention within **10 business days** of the original deal(s).

Q. Can other JISAs be transferred to Pilling?

A. Yes, we make **no charge to receive** JISAs from other managers. You should check if your manager makes a transfer penalty. You may transfer all of your existing SAS JISA or all/part of a Cash JISA to us. (see JISA Transfer form).

Q. Can shares already owned be transferred into the JISA?

A. Yes. We have to sell the shares and then buy them back into the JISA. This is known as a "Bed and JISA." Before we can do this we need to be in receipt of your shares which can be supplied to us as either share certificates and signed CREST transfers or via electronic transfer. You may also buy different shares in the JISA from those you sell. However, the name on the certificate must be yours, your spouse's or joint names. NB. these transactions will be deemed a gift to the child and can not be later taken back (see the "Charges Section" on page 10).

Q. "Bed & JISA" - any special costs?

A. As "arm's length" deals, you pay the **market-maker's "turn"** - ie the spread between the selling and buying prices goes to the market-maker. (We can often reduce this for you). You also pay 0.5% Government stamp duty on most purchases.

If the same holding is sold and then bought straight away in your JISA, you pay **no commission** on the sale and you just pay our normal rates on the purchase. If you do not buy the same stock in the plan as the stock you are selling, then you pay a nominal charge of **£10 per sale** as well as the normal purchase commission.

Q. Do you pay interest on cash?

A. Yes. Quarterly, we pay gross interest on your cash on a tiered system at rates fixed by Pilling & Co. Your cash is always held in accounts segregated from our own, and only in banks which are authorised and regulated by the FCA. We pay interest to your account after a variable administrative deduction. Our current rates are always available on request or can be viewed on our website www.pilling.co.uk. Amounts of less than £1 are not credited.

Q. How are dividends dealt with?

A. Dividends are credited to your account. If there is any tax due from interest payments from gilts for example, we will reclaim this from the Inland Revenue and add this to your account. Dividend income cannot be withdrawn from the JISA and paid to you.

Q. Can the dividends be re-invested?

A. Yes. With the Pilling Dividend Re-investment Plan ("DRIP"), where possible all your net dividends are re-invested upon receipt back into the shares of the company paying the dividend. Our commission is low at 0.5% (with **no** minimum) as we may join your investment with other clients in the same stock. Simply elect on the application form for the "DRIP" scheme.

Q. Can income be paid out of the JISA?

A. No. Not until the JISA becomes an ISA when the holder turns 18.

Q. Can withdrawals be made from the JISA?

A. No. As above, not until the JISA becomes an ISA when the holder turns 18.

Q. How are the investments registered?

A. Through CREST, where available, in our nominee "St Anns Square Nominees Limited" (SASNL). **You are always the beneficial owner of the investments.** They are never part of Pilling & Co's assets nor, indeed, of the nominee company's assets. There may be occasions when identical stocks are pooled together within Crest, or at another custodians, as one block under the title of SASNL. These cannot then be attributable to any individual client and ownership will be evidenced by an electronic bookkeeping entry at Pilling & Co instead of a physical certificate. In these circumstances you are warned, that in the unlikely event of an unreconcilable shortfall after the failure of a custodian, clients may share in that shortfall in proportion to their original share of the assets in the pool.

Q. Are the investments secure?

A. Yes. Pilling & Co **accepts absolute responsibility** for St Anns Square Nominees Limited. Your investments are not only protected under the Financial Services Compensation Scheme (FSCS), but, with the security of Pilling clients in mind, we also maintain additional professional financial risks insurance to cover the changing level of turnover in our business. If your investments must be held by a third party, we will use our best endeavours to make sure that only recognised and well-respected financial institutions are used. There may be further risk with non UK based custodians because of different settlement, legal and regulatory requirements. In some cases dividend payments may be briefly held in a custodians overseas bank account before payment is made to Pilling & Co. However, we do not accept responsibility for such third party safe custody obligations.

Q. How do you deal with "Corporate Actions?"

A. We write to tell you of any action effecting your investments including conversion and subscription rights, takeovers and similar offers. We process any capital reorganisations, demergers etc. You may only take up rights issues and open offers in a JISA if you have cash in the plan, or can add new cash to a JISA. If you do not have enough cash, then the funds must be raised **inside** the plan. Where investments are pooled, entitlements are allocated on a "pro rata" basis and are rounded down to the nearest whole unit.

You must give your clear instructions direct to the Pilling ISA Department or by email to caisa@pilling.co.uk by the requested date, or we can accept no responsibility whatsoever for any resulting losses or liabilities.

Q. Can the JISA be borrowed against?

A. No. You must always remain the beneficial owner of your ISA investments. They may not be used as security for a loan.

Q. When are valuations and statements produced?

A. As at **5th April and 5th October** each year, we provide a **statement and valuation** as soon as possible after these dates on "**Client Web Access**" (**CWA**). These are also available in paper form by request.

Q. How is the CWA facility opened?

A. Simply send an email detailing the account name and number to compliance@pilling.co.uk requesting to join CWA. You will be issued an exclusive login and password.

Q. Can you send Company Reports and Accounts?

A. Yes. We can arrange this but, to keep down costs, we suggest you get these from the Company Registrars direct. They are also usually available on the company websites.

Q. Does the JISA have the same rights as an ordinary shareholder?

A. Yes. By negotiation, we can arrange for you to attend company meetings, to vote and to receive any other relevant information that is sent to share or unitholders direct.

Q. Can the JISA be "voided"?

A. Yes. We regret that if your plan fails the provisions of the JISA Regulations, it may have to be cancelled ("voided") and we will tell you as soon as possible. However, this is a rare occurrence and we make every effort to ensure this does not happen.

Q. Does Pilling administer its own JISAs?

A. Yes. All our JISAs are administered "in-house" by our own staff and we never delegate our JISA role to a third party.

Q. Any charges to transfer a Pilling JISA?

A. Cash can be transferred to another JISA manager at no charge. You may prefer to sell investments at our normal dealing rates to convert them into cash. Shareholdings can be transferred from Pilling JISAs at **£24** per holding. Plans that are closed and have never been invested will be charged a "failure to invest" fee of **£24**. Please note that transfers of JISAs can take up to a month to process.

Q. Can the investments be sold without my permission?

A. We reserve the right to sell or realise any investment which we are holding (or entitled to receive) on your behalf in order to meet any liabilities you may have incurred to us. Our right to sell any such investment will arise immediately upon default by you in making payment of any amount due to us and in that event we are entitled to sell or dispose of all or any part of such investment (whether these be investments in respect of which the default arises or any other investments for the time being held by us or which we are entitled to receive on your behalf) after expiry of any statutory notice period.

We shall not be liable to you in respect of any loss arising nor in respect of any choice made by us in selecting the investments to be sold. We will apply the proceeds of sale (net of costs) in or towards discharge of your liabilities to us and will account to you for the balance. In the event that such proceeds are insufficient to cover the whole of your liabilities to us, you remain liable for the balance.

We shall be entitled, without further reference to you, to buy any investment in the market to close any short position created by you and then, *subject to any statutory notice period*, sell or dispose of any other investments held by us or which we are entitled to receive on your behalf to satisfy in whole or in part the sums due on settlement of any such purchase and its associated costs. We shall not be responsible for advising you about the investment merits of any transactions effected by us pursuant to this section which in all cases will be treated as *execution only deals*.

Managed JISA—Discretionary

Q. Do you only offer Managed JISAs on a discretionary basis?

A. Yes, however, if you wish to make your own investment decisions we also offer an execution only JISA.

Q. How will you invest the money for a Managed JISA ?

A. Pilling & Co invest monies via a discretionary management facility. That is to say we decide on your behalf how to invest JISA money to provide a suitable risk and reward solution. Pilling's Investment Managers are currently allocating 100% of JISA monies to the Baillie Gifford Managed Fund. We provide details below to explain the nature of this investment and background performance.

As JISAs are a replacement for CTFs, in choosing our risk/reward profile we have taken into account the guidelines set out by the government in its information to stakeholder CTF providers. This means that investment can be made into equities, both in the UK and overseas, as well as proportions of cash and bonds, both corporate and government-issued, within a single priced fund. Pilling & Co's investment managers will decide how this investment process is to be styled, whether it be via a single fund or multiple funds. Pilling's Investment Managers are currently allocating 100% of JISA monies to the Baillie Gifford Managed Fund.

Further details of the fund can be found at: [-www.bailliegifford.com/individual-investor/featured-funds](http://www.bailliegifford.com/individual-investor/featured-funds)
