Superior Only dogs that have earned the Teacup Intermediate Agile Dog (TIAD) shall be eligible for participation in this class.

Games II Only dogs that have earned the Games I (TG1) shall be eligible for participation in this class.
Games III Only dogs that have earned the Games II (TG2) or Games III (TG3) shall be eligible for participation in this class.

FEO (FOR EXHIBITION ONLY) – Games & Standard Classes

TDAA offers FEO runs, open to any TDAA registered dog in any class. These are offered at the option of the local/host club. FEO dogs will run last at their jump heights. They may run on lead. FEO runs do not count toward TDAA titles. No treats or food allowed. FEO will have a maximum time of 1.5 of the SCT. FEO cannot repeat any obstacles, no training in the ring.

Fast Track Move-Ups: Titles may be grandfathered from other organizations on a "Fast Track" basis. A dog with a higher title from another organization may move up on the same day to the next level of TDAA competition with a qualifying score. It is possible to move up from Beginner to Superior on the same day if the dog qualifies first in Beginner and again in Intermediate. Likewise, a dog may move up from Games I to Games III by qualifying at each of the lower two levels. A qualifying score in the lower class is required to move up to the next higher class. The dog's owner must submit a copy of title certificates for the dog. **Please mark each that apply and submit \$8.00 with this FAST TRACK Move-Up Request form. Payment of the \$8.00 is not a guarantee that your dog will qualify at the lower level and is non-refundable. This fee must be paid for this trial even if a Fast Track fee has been paid in the past.**

HEIGHT DIVISIONS

Owners are responsible for entering the proper height division. Judges reserve the right to measure dogs entered in any trial. At the handler's option, dogs may be entered in a higher height division, but not in a lower than their proper height division. Dogs that run in a height division lower than their division will be eliminated. A judge must measure provisional dogs.

Special provisions are made for the dogs that are long-backed, or dogs whose depth of chest is greater than his legs length.

Long backed dogs – The long-backed dog would be based on the measurements of the dog from the front of the chest to the back of

his rear compared to the measurement of the dog's height at the withers. As a rule of thumb, if the dog's length is 150% or greater than the height measurement, the dog would qualify for this exemption.

Weight to length provision (by structure, not obesity) – This exemption should be limited to certain breeds that have a propensity for weight that is greater than their height if you compare pounds to inches.

Dogs with dwarfish legs/deep chest dogs – This exemption is granted to dogs whose leg to shoulders height ratio is 1/3 or less of the dog's overall height. The exemption for dog's with dwarfish legs is based on the measurement of the dog's withers height, when that height is 150% or greater than the measurement of the space from the floor to chest

A veteran dog is a dog at least 7 years of age. There is no special system of titling for veteran dogs.

A dog also may be given a waiver to jump at a lower height even though he does not meet any of the criteria for a jump height exemption. A waiver will be given to a dog for extraordinary circumstance. Dogs given a waiver to a lower jump height will be able to earn qualifying legs and all TDAA titles.

Please consult your jump height card/email to confirm the correct jump height to enter.

If you do not have a TDAA height card your dog must be measured.

Disabled Handlers – A time exemption will be granted to disabled handlers amounting to 4 seconds for Standard course times and 4 seconds for qualifying course times for games class. The proof of the disability shall be the handler's disability parking tag or other documentation. There will be no special system of titling for disabled handlers.

GAMES DESCRIPTIONS

Connect the Dots

The purpose of this game is for the dog to accumulate as many points as possible in the allotted time by connecting the dots. The "dots" are the contact obstacles on course. The dog earns points for each obstacle performed in a "line," which is the series of obstacles from dot to dot. Scored Points, then Time.

Dare to Double

Dare to Double is a dog's choice game. The objective is to score as many points as possible, repeating doubling obstacle on course (A-Frame) as many times as possible. The dog must stop before course time elapses or be penalized. Scored Points, then Time.

Additional information on the games can be found in:

VOLUNTEER SIGN UP

Volunteers are the backbone of any agility trial. By its very nature TDAA is small. Small dogs, small equipment, small trials and small number of handlers. We need all hands to make a trial work. Please sign up to volunteer to work during classes you are not running in. We will make sure you get adequate time to warm up your dog and do your walk-through. We want everyone to have a pleasant experience running in TDAA while at the same time helping to make the trial run smoothly.
