## CLASS INFORMATION

### Standard Class

**Beginner Agility** - All dogs shall be eligible for participation in this class. There shall be no grand-fathering of titles from other organizations.

**Intermediate Agility** - Only dogs who have earned the Teacup Beginner Agile Dog (TBAD) shall be eligible for participation in this class.

**Superior Agility** - Only dogs who have earned the Teacup Intermediate Agile Dog (TIAD) shall be eligible for participation in this class. (Dogs who have earned the Teacup Superior Agile Dog (TSAD) are also eligible for this class.)

### Games Classes

**Games I** - All dogs shall be eligible for participation in this class. There shall be no grand-fathering of titles from other organizations.

**Games II** - Only dogs who have earned the Games I (TG1) shall be eligible for participation in this class.

**Games III** - Only dogs who have earned the Games II (TG2) or Games III (TG3) shall be eligible for participation in this class.

**Quidditch**: Quidditch is a simple game of handling skill. The handler must direct the dog to perform three sequences of escalating value, and attempting the simple performance of a tire after each. The game is full of interesting bonuses and colorful phraseology. Quidditch is scored Points, then Time.

**Heinz 57**: This is a game of math and skillful planning. In this “dog’s choice” game, the handler is challenged to devise a strategic path for the dog to earn precisely 57 points. A doubling obstacle on the course will allow the dog to take a mathematical shortcut to the magical 57 points. Heinz 57 is scored Points, then Time in a 57 point must system.

**Power & Speed**: This is the Iron Dog Competition! This game consists of two separate parts: Power - technical obstacles only; and Speed - a jumpers course. The Power section is not timed and any faults earned are deducted from the final score. The Speed section is timed and will typically be composed of jumps and tunnels only in a mostly non-technical flow. Power and Speed is scored Time + Faults.

**Call, Direct & Send**: CDS is a numbered jumpers course (no weaves) with three built-in distance challenges: The “Call” usually featured at the beginning of a course the handler uses a lead-out to call the dog through the performance of the first several obstacles. The “Direct” - a mid-course challenge that might feature a lateral/layered performance by the dog; and the “Send” - usually found at the end of the course, the handler is challenged to send the dog away to finish the remaining obstacles on the course. CDS is scored Time + Faults - Bonus.

**For more information on these games, please visit TDAA website at [www.k9tdaa.com](http://www.k9tdaa.com). You may also reference *The Clean Run Book of Agility Games*. However, our Judges reserve the right to adapt any game played. Their rules supersede all others.**

## ENTRY ELIGIBILITY

### **The following is a list of obstacles that will be used at this Trial:**

A-frame (6'8" x 2' sides) w/slats	Dog Walk (8' long planks with slats-9" wide)

A warm-up area, consisting of a regulation agility jump shall be provided for all exhibitors. Other obstacles may or may not be included in the warm-up area. There will be obstacle familiarization at this Trial, details to be announced at the start of each trial day.

## **Height Divisions**

Owners are responsible for entering the proper height division. Judges reserve the right to measure dogs entered in any Trial. At the Handler's option, dogs may be entered in a higher height division, but not in a division lower than their proper height division. Dogs that run in a height division lower than their proper division will be eliminated.

- ▶ 2" jump height: restricted to dogs measuring 4" or less at the withers; or dogs with a jump height exemption measuring 8" or less. **Jumps do not have 2" cups, so bars will be crossed to accommodate 2" height.**
- ▶ 4" jump height: restricted to dogs measuring 8" or less at the withers; or dogs with a jump height exemption measuring 12 inches or less.
- ▶ 8" jump height: restricted to dogs measuring 12" or less at the withers; or dogs with a jump height exemption measuring 16" or less
- ▶ 12" jump height: restricted to dogs measuring 16" or less at the withers; or dogs with a jump height exemption measuring 20" or less.
- ▶ 16" jump height: restricted to dogs measuring 20" or less at the withers.

Special provisions are made for dogs that are long-backed, have a weight-to-height exemption; or who have dwarfish legs (see rules at [www.k9tdaa.com](http://www.k9tdaa.com) for a complete description of height exemptions).

**Disabled Handlers.** A time exemption will be granted to disabled handlers amounting to 4 seconds in Standard course times and in qualifying course times for Games classes. Proof of disability shall be a copy of the handler's disability parking tag or other official documentation, which must be included with the entry or presented at check-in at the trial.

## **PLEASE READ!!**

### **How the Fast Track Move-Up Program Works**

This may be grand-fathered from other organizations on a "Fast Track" basis. A dog with a higher title from another organization may move up on the same day to the next level of TDAA competition with a qualifying score. It is possible to move up from Beginner to Superior on the same day, if the dog qualifies first in Beginner, and then qualifies again in Intermediate. It is also possible to move up from Games I to Games III on the same day, if the dog qualifies first in Games I and then qualifies again in Games II enough points in Games I to qualify for Games III. A qualifying score in the lower class is required to move up to the next higher class. **You must submit a copy of title certificate for each dog.** Fast-tracked dogs are eligible to receive **Q Ribbons**. Submit \$8.00 for each dog's move-up request. Payment of the \$8.00 is no guarantee that your dog will qualify at the lower level (though he will have multiple changes at each), and is non-refundable. This Fast Track fee must be paid for this trial, even if it was paid for a previous trial.

**MOVE-UPS:** Pre-trial move-ups will be taken until one hour before the Trial begins. Move-ups during the Trial must be given to the Trial Secretary before the Class you're moving up in begins. Please let the Trial Secretary know as soon as you know!!!!

## **NOTICE TO EXHIBITORS**

- ▶ The safety of the dogs is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all obstacles safely.
- ▶ Entry fees will not be refunded in the event that a dog is absent, disqualified, excused, or barred from competition by action of the show committee. A refund of all but \$5.00 will be given for bitches in season. A letter from your veterinarian is required by the first day of the Trial.
- ▶ All fees must be paid in US funds. There will be a Returned Check Fee of \$30.00 for returned checks. In the event of withdrawal from the event, checks will NOT be returned. All unused checks will be destroyed.
- ▶ It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create unnecessary disturbance or repeatedly engage in unsafe or disruptive behavior, may, at the discretion of the show committee, be asked to leave the show site. In that case, no refund of any fees paid will be made.
- ▶ All dogs must be on leash at all times except when using the warm-up area or in the agility ring.
- ▶ No entry fee will be refunded if the Trial cannot open or be completed by reason of riots, civil disturbance, fire, an act of God, public emergency, act of a public enemy or any other cause beyond the control of the organizing committee.
- ▶ Obstacles shall meet the specifications for obstacles in the current edition of the Regulations for Agility Trials.

- ▶ Exhibitors are responsible for complete, accurate and legible information on entry forms; illegible or incomplete entries cannot be entered in the Trial.
- ▶ Exhibitors must clean up after their dogs at the hotel and at the Trial Site.
- ▶ *We are sorry to have to charge the \$2.00 per dog per day; however, MTSU requires this fee.*
