Important Information

By sending out this order, I confirm that at least 70% of all Unicity Global Markets GmbH products acquired under this Franchise Partner ID-number have already been sold and/or consumed.

The Easyship agreement is binding for 90 days. After this time period, I can cancel my Easyship agreement in writing, by filling out an Easyship agreement form with the note "Cancel Easyship agreement" on the top of the page and sending it to Unicity. The cancellation in this form must be received in the Customer Service department within 10 working days before the next Easyship shipment date. Should the cancellation be received in less than 10 working days before the next shipment date, it cannot be guaranteed that the last order can be stopped. In this case, I am not permitted to return the Easyship order to Unicity, unless I can prove that my cancellation was received by Unicity in more than 10 working days before the next shipment date, e.g. by providing a copy of the fax protocol. The same applies to Easyship changes.
