

In 2012 the International College of Dentists USA Section developed a comprehensive Applied Strategic Plan. It was determined that the USA-ICD core values are INTEGRITY, LEADERSHIP, and SERVICE.

In order to support these core values the ICD USA Section Foundation (the Foundation) has undertaken a variety of programs and activities. The objective is to increase the USA Section involvement in domestic and international humanitarian service. A key part of that increased involvement depends upon your financial support of the Foundation.

For this reason we are asking you to make the Foundation a priority component of your annual philanthropic contribution.

HERE'S HOW YOU CAN HELP

The Foundation has established a Planned Giving Program known as the Century Club. To become a member of the Century Club you pledge to donate \$1200 annually for 5 years which is the equivalent of donating \$100 per month for 5 years.

The Foundation is an important part of the USA ICD Section and it continues to grow through the generosity of Fellows like you. The Foundation is a 501 (c) (3) so your contribution is totally tax-deductible.
