

Membership Certificate and Frame

Certificate

Display your IoD status with your very own membership certificate. This is instant recognition of your status and illustrates your position as a business leader. Tastefully designed with the IoD logo and crest, your membership certificate is printed with your name, grade and election date, as above. This is a must-have centrepiece for your office.

Frame

You can present your IoD certificate in this contemporary frame and IoD embossed mount. For Associates and Members we recommend either a silver or black frame to compliment the silver certificate, whilst for Fellows, we suggest the gold frame to accompany the gold certificate.

Certificate with IoD embossed mount: £26.00

Framed certificate with IoD embossed mount: £46.00
