Cindy Needham, Superior Threads, *Thread Fact or Fiction*

Our June speaker is a quilter, designer, teacher, and author who comes to us from Chico, CA. Cindy received the Machine Quilting Teacher of the Year award as voted upon by past students. In April, she was the Featured Artist at MQX in Rhode Island. She will also be teaching at Asilomar, Sisters Quilt Show, and the Vermont Quilt Festival as well as many different guilds all over the country.

Cindy has filmed several videos for Superior Threads, and they're all uploaded on their website (www.superiorthreads.com). A two-part video trunk show is also included, which features some up close and personal shots of some of her quilts.

She offers a free tip sheet, "The Fabulous Four," which helps solve about 95% of the trouble you may be having with some threads on your machine. Go to www.cindy-needham.com for lots of great information.

Her one-day thread workshop, "Open Thread Bar," will be given on Friday, June 10 and Saturday June 11. Contact Patti Six for more information at Rpsix@aol.com or by phone at 569-9968.

Annual New Member Picnic

Howdy y'all! The annual new member picnic is racing toward us faster than a barn-sour horse back to the homestead! So here's the whole kit and caboodle on what's happening at the July meeting. Members who joined the guild between July 1, 2010 and June 30, 2011 will be guests of honor and treated to a mighty fine picnic provided by your fellow guild members. This year we're welcoming our new members with a Western theme. So don your finest cowboy hat, boots, chaps, spurs (!) and other western regalia and join us for a rip-roaring good time!

Dessert and beverages will be provided by the Gone to Pieces Satellite Group. Other grub will be provided by existing members, according to last name, as follows:

- A – K please bring a hearty salad *
- L – Z please bring a main dish *

* (allow for 8-10 servings)

With an estimated 40 new members, we're also looking to round up a few new member buddies or "sidekicks," who'd be willing to show the ropes to new members if needed. Please contact Patti Six to volunteer.

Don't forget to label your serving dishes. Plates and eating utensils will be provided. The shindig starts at 5:30 and is held outside. Susan Carty will entertain us with her rousing new member name game. Show and tell and a short business meeting to follow.

— *Gone to Pieces Satellite Group*

Community Quilts

With only a month left in this year's cycle of giving, we are excited about your continued support. In May, members donated an additional 20 quilts. Combined with April's donations, we have 46 recently received quilts. We are looking forward to counting them all for the past nine months. The bins in the Community Quilts storage locker are full of your heartwarming generosity.

In May, we also had the opportunity to honor all of you, who have donated, by crowning Harriet Berk, the Queen of Flannel with a Soul of Gold. Harriet has made more than two dozen children's quilts over the past two years. She visits the Treasure Table monthly for scraps. So in the past few months, we have been saving all our flannel donations for Harriet to help her feed her passion for giving. The woman is amazing and has given us incredible joy. Upon being presented with her crown and pink with frog-print flannel pajamas, she declared her desire to wear them to the annual picnic. Harriet represents the best in all of us, and we thank you, the guild members, for your uplifting kindness to others. In this guild, you find an abundance of Souls of Gold in each and every member.

In June, we will be presenting your gifts of love to the Santa Barbara Assistance League's Fostering Friends Project. We will also be accepting children's and veteran's quilts. The children's quilts will be presented in July to the Santa Barbara Neighborhood Clinics and we will deliver the veteran's quilts in early summer.

As always, KEEP QUILTING, the message that someone cares is a message of joy!

— **Yolanda Garcia and Louise Salgado**

Bus to the Long Beach International Quilt Festival

We have chartered a Santa Barbara Airbus for the Long Beach International Quilt Festival on Saturday, July 30. The cost is \$40 for guild members and includes the entrance fee to the show. We leave about 7 a.m. and return by 7 p.m. Exact departure and arrival times as well as pickup locations will be published in the July newsletter. The show is held at the Long Beach Convention Center. For those who have gone to this show in the past know the quilts are absolutely outstanding. Plus, there are 150 vendors available to browse through.

We started the sign up list at the May guild meeting, so if you are intending to join us for a fun day, please call me or sign up at the June meeting on Thursday, June 9. Please be prepared to pay your \$40 fee at the meeting.

For reservations and questions, please call Patty Six at 569-9968.

From the President's Desk

Have you read our mission statement lately?

"It is the purpose of the guild to educate its members about the history and preservation of the art form of quilt-making and its related topics; to learn new techniques, improve skills and to inform the community-at-large about our quilt-making heritage."

I think our guild does a great job in fulfilling our mission statement as well as reaching out to our community with the donation of community quilts and projects.

As we wrap up the 2010-2011 year, we will enjoy the final lecture and workshop in June before our Annual New Members Picnic in July. Cindy Needham from Superior Threads will be our guest and will present two workshops. It promises to be informative and inspirational!

Our slate of programs has been filled for the remaining half of 2011 and all of 2012 thanks to the hard work of our program chairs. Cathe Hedrick booked 2011 and Sue Kadner has completed the calendar for 2012. Ranell Hansen will be assuming the position of Program Chair for the next term and will begin working on the 2013 calendar year. Quilt instructors are very popular and many book several years ahead and fill their calendars rapidly, so we have to do the same.

Karla Alexander was a wonderful speaker and teacher in May. I thoroughly enjoyed her relaxed, friendly style. My philosophy is to take every class and workshop that I can even if I don't think it's really my style or passion. I always learn something and the best part is getting to know the other members of the class and to see the wonderful projects everyone comes up with. The same technique and even the same quilt can be so different depending on color and fabric choices.

Please continue to donate your time and talents to our local community quilts as well as the drive for quilts for New Zealand and Japan following the devastation in those countries. The information is available on our website if you need to know how to donate to those causes. Thank you so much to those of you who generously donate quilts and/or money when the need arises.

Quilt 'til you wilt,
Irelle

JULY

Annual Guild Potluck, Picnic, and Book Sale (See the *Annual New Member Picnic* article for details.)

AUGUST

Live and Silent Auction. Great auction items and look for surprises. Start cleaning out your closets and sewing rooms and we will take tools, sewing machines, quilts, fabric, buttons, batting, just about anything of a quilting nature!!! We are also looking for ribbon to tie our bundles of cloth with, and we are looking for plastic zip bags that you received your latest new sheets, pillow case or comforter in, as we use those to package items in as well. We will accept auction items at our regular guild meetings through the July guild meeting!

We are open for donations from estates. In the past folks have donated the contents of their studios, and we will provide the heirs with receipts for tax purposes. This is true for anyone donating; we are happy to provide you with a receipt for your taxes. Please sort before you donate and do not bring things that really need to go to the trash; we really appreciate that, as we always have a lot of work to do to make sure things are saleable. If you have things that are too large to transport to a guild meeting or have questions, please contact Cathe Hedrick at a meeting, call her cell phone at 805-705-5523 to arrange for a pick up or email her at chedrick@housing.ucsb.edu.

SEPTEMBER

Mickey Depre, *Me, Myself and I*. One hour PowerPoint presentation followed by a short trunk show covering her progression from a traditional quilter to the present. Topics include inspiration and how to believe in one's own self and sense of style. During the trunk show, she will happily answer audience questions regarding technique, product use, etc. This program is informative and entertaining with a grand dose of humor.

Friday, September 9 Workshop: *Charm Pack Wildflowers*

Saturday, September 10 Workshop: *Machine Quilting: Free Motion 101*

Around The Block With CQG Satellite Groups

Satellite groups consist of six or more guild members who meet at individual homes or other pre-arranged locations, sharing their love of quilting in a variety of different ways. Some are social, some do a project each month, some hold group workshops or learning sessions, some take road trips, some meet during the day and some at night. These groups also provide a wide range of services for our guild through volunteering their time for special projects or committees – more hands make tasks go faster and are so much more pleasurable!

We presently have 12 satellite groups and they are as clever as their names: *The Blockheads*, *Sew It Alls*, *Gone To Pieces*, *Sew Whats*, *Loose Threads*, *Sewjourners*, *Loosey Goosies*, *Sewphisticats*, *Knotty Threads*, *Straight & Narrow*, and our two newest groups, *Strip Club* and *Merry Bobbins*.

Satellite groups are a great way to make new friends with the same interests, only in a more intimate setting, without the commotion and hustle and bustle that occurs during our monthly general guild meetings.

If you are interested in joining a group or placing your name on a waiting list, please contact the present Satellite Group Committee Chair, Christine Allen. Chris is terrific at matching groups with new members or helping to start new groups; she can be reached at (805) 451-3286 or by email at callen3134@yahoo.com

For those of you who are already a member of a satellite group, you know what fun it can be! If your group would like to share that fun and inspiration with others, please contact Kathy "The Rambling" Rose at (805) 964-9085 or by email at krrose@jordanos.com. The following satellite groups have been featured in this column in past Coastlines:

- | | |
|-------------------------|--------------|
| • Blockheads | April 2009 |
| • Sew It Alls | January 2010 |
| • Gone To Pieces | April 2010 |
| • Sew Whats | August 2010 |
| • Loose Threads | October 2010 |
| • Loosie Goosies | January 2011 |

Are you interested in finding out more about what these satellite groups do, but don't have copies of these past Coastlines issues? You can view the articles by selecting the appropriate issue on the guild website at <http://www.coastalquilters.org/news.html>

While you're at it, take the opportunity to learn more about our guild by exploring our website in more depth. There is lots of interesting information to be found there!

UPDATE on the Spargoettes

A new satellite group in the making

There is a DAY CHANGE for the first meeting; it will be on Tuesday, June 21, at 6 p.m. at Fresco in Goleta, with the regular meetings continuing on the third Tuesday of each month. This is the new satellite group being formed by Cathe Hedrick and Jean MacMillan, who are interested in developing a small group focused on handwork, wool, and folk art. If you plan to join them for dinner, or just have questions, please contact Cathe at chedrick@housing.ucsb.edu or call her at 805-705-5523.

Beam 'N Read Lights

Guild members have the opportunity to purchase a hands-free LED light with an adjustable neck strap and adjustable reflector. The lights come in three sizes. The small (\$19.95) has three LED lights. The medium (\$26.95) has six LED lights and an attachable magnifier. The large (\$29.95) has three LED lights, three magnifiers of varying strengths, and comes with four batteries. For the small and medium models, you supply the batteries. These lights are great for appliqué, knitting, reading, and other crafts. We will continue to take orders at the June meeting, and the orders will be placed shortly thereafter. Contact Diane Eardley at eardley@lifesci.ucsb.edu or call her at 963-8321 for more information.

Block of the Month for July

KEEP IT SCRAPPY

Introducing the Block of the Month Series for 2011-2012

Continuing the theme of last year's very popular *Scrap Insanity* the Block of the Month for 2011-2012 will again help you use up those scraps that always seem to be on hand waiting for just the right moment to be sewn into a quilt. We have chosen patterns that are simple to assemble and will often form a surprising secondary pattern.

The rules are few:

1. The background fabrics will either be white or perhaps a combination of white and cream.
2. As last year, the scrap fabrics within each block must be different. If the pattern calls for 8 dark or medium pieces, you should use 8 different dark or medium scraps.

Winner Takes All. This year, even when a large number of blocks are turned in, only one winner will be drawn. We are hoping this will provide enough blocks so that the winner will be able to make an ample size quilt from them.

SCRAPPY HALF SQUARE TRIANGLES

We are calling our first block Scrappy Half Square Triangles (The pattern really has another name. The mystery will be revealed when all the blocks are assembled!)

FABRIC:

Background: Variety of **White**.
Cut sixteen 3 7/8" squares.

Scraps: Using **dark or medium/dark fabrics**, cut sixteen 3 7/8" squares.

ASSEMBLY:

Draw a diagonal line on the wrong side of all the background pieces. Draw a diagonal line on the wrong side of 8 of the dark pieces.

Match 4 background squares with another 4 background squares. Stitch 1/4" from both sides of the diagonal line. Cut apart on the diagonal line. Press and trim to 3 1/2".

Match 4 scrap squares with another 4 scrap squares. Same as with background squares, stitch 1/4" from both sides of the diagonal line. Cut apart on the diagonal line. Press and trim to 3 1/2".

Match 8 background squares with 8 scrap squares. Stitch 1/4" from the diagonal line. Cut apart on the diagonal line. Press toward the dark fabric and trim to 3 1/2".

Lay out the blocks as shown in the diagram and piece together to form the block. The block should be 12 1/2" square.

Following this method, you should have enough 3 1/2" squares to make 2 blocks (Twice the chance to win!) or you might save the unused squares for a future Block of the Month. (Hint: 3 1/2" half square triangles just might show up again!)

If you have any questions or problems, please ask us.
