Thank your Doctor - Submission Form

The Clark County Medical Society (CCMS) physicians are everyday heroes fighting for noble causes because, like most heroes, they share a love for humanity. They know that health care isn't about how many people walk through the doors; it is about providing each person the very best care available. Quite simply, they look beyond symptoms and diagnosis to recognize that kind, personal touches help to transform each patient's experience.

In celebration of National Doctor's Day (March 31st), CCMS would like to help you say "thank you" to an outstanding physician who made a difference in your health care. To recognize a doctor who has made a difference in your life, complete the submission form below with your personal note of thanks. Each message received will be shared with the physician. In addition, your personal note will be made public on the CCMS website and e-communications.
