JULY 8-13 – JULY 15-20

Mark Serdjenian, Director
Men's Soccer Coach, Colby College

CAMP DIRECTOR
Mark Serdjenian

Colby's winningest soccer coach, Mark Serdjenian has been the men's varsity coach since 1976. In 1990 he was named New England Coach of the Year and in both 1990 and 1993 he garnered Maine Collegiate Coach of the Year honors. He also reached the 200 win plateau in 2003.

The nineties were outstanding years for Colby men's soccer, beginning with an undefeated season in 1990 which brought the White Mules the number one ranking in New England. After an ECAC tournament semi-final appearance in 1992, the 1993 team finished 16-

1-1 and won the ECAC New England Division III Championship.

The 1994 squad posted a strong 10-2-2 regular season record and advanced to the semi-finals of the ECAC tourney once again, and the 1997 team returned to the same tournament with a 9-4-1 record, as did the 1998 team at 8-5-1. He has led the teams to the NESCAC conference tournament for the last 3 years.

Coach Serdjenian has also directed the Maine Novas, U-18 girls state champions in 1996, 1997, 1998, 2000, 2001 and 2002.

A 1973 graduate of Colby, Mark was 3 times selected All Maine goalkeeper and co-captained the team as a senior.

An elementary school educator for 11 years, then for 23 years Colby's Associate Dean of Students for Academics, Mark is now full-time in the Dept. of Athletics. He has also coached at the high school level and taught extensively at soccer camps and clinics from Maine to Colorado. Coach Serdjenian is a United States Soccer Federation licensed coach, holds the NSCAA's Premier Coaching Diploma, and is an Associate Staff Coach for the NSCAA.

GOALKEEPING SCHOOL ~ SPECIAL FEATURE

A separate program designed for goalkeepers will again be offered, stressing all individual skills and techniques. Keepers will also be involved in game situations each evening and will receive a great deal of one-to-one attention from our experienced instructors as they work in keepers' heaven.

CAMP OBJECTIVE

Campers will take part in an intensive soccer program in which each player receives special attention and help according to individual needs. Our main goal is to develop ball control skills, team play, and "soccer sense" so that each player can become more knowledgeable and better able to apply these concepts to game situations. The philosophy of The Soccer Camp at Colby College – improve through hard work while having fun – permeates each camp session as it has the past thirty-three years.
