

## 2007 YAKIMA TRIBUTARY WATER RIGHTS AUCTION

<b>DRY-YEAR LEASE OPTION BID FORM</b>	
<i><b>INSTRUCTIONS:</b></i> This form is to be used if you agree to lease your water right to Ecology only in years when the Bureau of Reclamation determines that water must be pro-rated. Lease terms can range from 10-20 years. Ecology will make a payment (\$10 per acre-foot of consumptive use multiplied by the duration of the agreement) to secure an option to lease the water right in water-short years and pay an agreed-upon price when the option is exercised. Please use this form to submit your bid for leasing your water when the option is exercised. This form is your formal bid and, if accepted, you will not be able to irrigate for the periods you have agreed to lease your water. If you are submitting forms for multiple water rights, please submit separate forms for each water right.
