April 2015

Dear Member:

We are pleased to inform you that the Sisterhood of Israel Center of Conservative Judaism is in the process of once again organizing its annual calendar. As we are dedicated to the maintenance of our Congregation and the educational services of our synagogue, we invite you to help ensure the success of this wonderful publication by being a participant.

This year we are modernizing the process by which our calendar is produced. To insure that this process is successful we need your cooperation. It is vital that all forms be submitted by the requested deadline.

Please share your simchas and greetings with friends and neighbors, both new and old, by placing an ad in the calendar in your name. This can include New Year's greetings, birthdays and anniversaries of your loved ones, and in memoriam tributes. Another appropriate way to support the calendar is **to solicit ads from local merchants.**

To insure that your **submissions will be printed, and to avoid bookkeeping difficulties, all payments must be received by Thursday, May 21st.** If you missed being included in last year's calendar, here's your opportunity to get an early start in being part of this worthwhile fundraiser. All contributors will receive a free copy of the calendar.

All submissions must be in writing with the complete entries listed. **WRITING "SAME AS LAST YEAR" IS NOT ACCEPTABLE.**

Please fill out the enclosed form and mail it in with your check to the synagogue, earmarked **SISTERHOOD CALENDAR.** Please remember it is important that we receive payment with your order. **It would be preferable if you could type the message. However, if it is handwritten, please do so clearly, in PRINT, not cursive writing.**

If you have any questions, please feel free to contact Ruth Fisher at 718-969-0630. We want to thank you for your efforts. With your help we will make this project even more successful than in the past.

Sincerely,

Ruth Fisher
Calendar Chair

Linda Korobelnik, Isabel Zimmel, & Shari Zuber
Sisterhood Co-Presidents
