

DC Public Schools (DCPS) Passive Consent Form
STUDENT SURVEY NOTIFICATION AND WITHDRAWAL FORM

Dear Parent or Guardian,

Your child is being asked to complete a student survey for DC Public Schools. This is a very important survey that will help the Chancellor and school administrators better understand what 3rd through 12th grade students think about their schools and how to make them better. It will gather students' levels of satisfaction with the schools' climate, safety, principal, teachers, staff, and instructional practices. This is a **confidential survey**; student ID numbers will be collected but not student names. All of the students' responses will be combined together, no one's individual responses will be reported, and your child's name will never be used in reports. This is also a **voluntary survey**; your child is not required to participate but the feedback would be very valuable. ***If you do not want your child to complete the survey, you must complete the form below and return it to the school's main office by Wednesday, April 24.***

Students in grades 3 to 12 are being asked to complete the survey in May 2013. If you have any questions regarding this survey or would like to see a copy of the questions, please contact Kelly Linker in the Office of Data and Accountability at stakeholdersurveys@dc.gov or 202-724-4651.
