

**CEN Manufacturing (CEN)** is an association of 45 manufacturers located in the Capital Region. Once again, to encourage students to consider careers in manufacturing, CEN will be making available scholarships to be awarded to applicants who are:

1. High school seniors graduating in 2015 and accepted at an accredited two or four year college, university, or trade school; or
2. College students enrolled at the undergraduate level in an accredited two or four year college, university or trade school whose primary residence is in the eleven counties listed below; and
3. Students planning to enroll in a major which can lead to qualifying for a position with a manufacturer; and
4. Residents of one of the following eleven Capital Region counties: Albany, Columbia, Fulton, Greene, Montgomery, Rensselaer, Saratoga, Schenectady, Schoharie, Warren, and Washington.
5. CEN limits the number of scholarships that an individual can win to 2 in any 4 year period.

One or more of the scholarships will be reserved for dependents of employees of a member CEN company. In addition, funds raised may be used as scholarships for ongoing training of employees at manufacturing companies in the Capital Region, or for special programs that inspire young people's interest and participation in science and technology.

## 15th Annual CEN Scholarship Golf Day

On June 15<sup>th</sup>, 2015, we will be holding our 15<sup>th</sup> Annual CEN Scholarship Golf Day at the Edison Country Club in Rexford, NY. The proceeds of this one day event are the **only** funds that will go towards several 2015/2016 college scholarship awards, presented to high school seniors or current college students ***majoring in a field which can lead to employment with a manufacturer.*** Last year, CEN awarded scholarships of \$1,000 each to 6 area students.

We are counting on the participation and generosity of CEN member companies, business leaders and individuals like you, to make this fundraising effort a resounding success. A golf registration form is attached to assist you in confirming your availability to participate in this year's event. Please forward a copy of this registration form to anyone that you believe would be interested in playing in or otherwise supporting this worthwhile cause. Separate from golf participation, we are also offering a wide variety of corporate sponsorship opportunities.

Corporate level sponsorship opportunities may include the purchase of a Tee Sign (\$200.00) advertising the generosity of your business, or an event Dinner Sponsorship, that includes the entry fee for 4 golf participants of your choice (\$2,000.00). The full range of sponsorship opportunities are listed below.

Of course, we will also have the Hole-In-One contest with a \$25,000 cash prize.

Please consider participating in and/or otherwise supporting our event with a monetary or silent auction donation. When you contribute to the CEN Scholarship Golf Day, you are making a conscientious decision to insure the continued success of manufacturing and manufacturing businesses in the United States for future generations to come.
