"Taking **STOCK** in our children"

January 2015

Dear Friends,

We are writing this letter to give you the opportunity to participate in [Stockapalooza 2015](#), which is our annual fundraiser to help Stock School fund the Suzuki-Orff music program, technology and special events/activities. Stock School is a Chicago Public School, Early Childhood Learning Center, located in Edison Park. Stock educates children with and without special needs from the Northwest side of Chicago. We have approximately 275 students, 50% of which are children with mild to severe/profound disabilities who receive special education services provided by our remarkable teaching staff, physical, occupational and speech therapists, nurses, assistive technology coordinator, music and dog therapy programs.

This year's event will take place in May, 2015. We strongly rely on the generosity of many people to achieve our fundraising goals. We are asking you to please help us support Stock School and all the work that we do to help these children succeed. Any donation, large or small, a tangible item or service offer will greatly help make this fundraising event a huge success. Many donations can be combined together to make an attractive auction item. Your generosity will be acknowledged at our school and on our website. In addition, anyone donating an item valued at \$500 or greater will receive an advertisement poster at the event, their name/business on both the school and auction websites and will be invited to a Recognition Breakfast at Stock School this spring. **The deadline to receive these donations is April 1, 2015.** Along with your donation, please feel free to send any promotional items, such as brochures, pictures and/or logos, so that we can display them alongside your donation item at Stockapalooza. If you have any questions you may contact me at 847-276-7703 or by email at stockpreschoolchicago@gmail.com.

Another way to participate in our fundraising event is to advertise and/or be a sponsor of the event. There are 5 different levels of advertisement/sponsorship: less than \$100 your name/business will be displayed at Stock School, \$100 your name/business will be posted on a banner at the event and on our school website, \$250 your name/business will be posted on a banner at the event, at school, on our school website and on the auction website, \$500 your name/business will get an individual poster at the event, posted at school, on our school website, identified on our auction website, and invited to a Recognition Breakfast and finally, \$1,000 and beyond level gets you everything in the \$500 level as well as a 1 year sponsorship, which includes advertisement at ALL of our major school events from January 2015-January 2016! If you have any questions about these options you may contact Amy Volpert at 773-534-1219 or by email at asvolpert@cps.edu. **The deadline to receive advertisements is April 1, 2015.**

Thank you for your continued support and generosity!

Gratefully,

Jill Dennewitz - Fundraising Chair
