Praxair Limited Scholarship

Introduction

Praxair is a Fortune 250 company and the largest industrial gases company in North and South America. The company produces, sells and distributes atmospheric, process and specialty gases and high-performance surface coatings. Through its distribution business, Praxair is a leading supplier of welding, cutting, specialty and medical gases and welding-related equipment and supplies. With its retail stores, cylinder-filling plants, distribution warehouses and online channels, Praxair Distribution serves over 500,000 customers and is recognized for its expertise in enhancing productivity.

Working together with AWS will help Praxair provide targeted support to welding and metal fabrication students as they prepare for rewarding careers in the industries and communities served by Praxair. Praxair is pleased to support the variety of scholarship opportunities offered by AWS.

<u>Purpose</u>

- In supporting the AWS scholarship program, PDI hopes to:
 - Call broad attention to high paying jobs in welding industry and lack of skilled labor
 - Help to address the shortage of welders in the United States
 - Improve access to scholarship dollars for students pursuing a career in welding
 - Create broader awareness of Praxair in our communities.
