February Meeting Rescheduled due to Weather

A round of ice and snow forced the cancellation of our regular fourth-Tuesday meeting. We were, however, able to reschedule for Thursday night. Thanks go to the Bavarian Grill for their flexibility in allowing the meeting. . More information and pictures from the meeting can be found on page 3, "Meeting Highlights."

Charge to the Sons of Confederate Veterans

"To you, Sons of Confederate Veterans, we will commit the vindication of the cause for which we fought. To your strength will be given

the defense of the Confederate soldier's good name, the guardianship of his history, the emulation of his virtues, the perpetuation of those

principles which he loved and which you love also, and those ideals which made him glorious and which you also cherish."

Reminder: TEXAS DIVISION GUARDIAN PROGRAM

As Confederate History Month in April approaches, let us be reminded that The Texas Division has instituted a special program to honor the memory of our Confederate Ancestors and to help ensure the preservation of their final resting places. Any Texas Division camp member in good standing, who has demonstrated his willingness to serve in this special capacity, and who is at least fourteen years of age, and has tended a Confederate soldier's grave for two years prior, may become a FULL GUARDIAN. All compatriots are encouraged to participate in this most worthwhile program to honor our ancestors and protect their final resting places.

The Guardian Program allows us to fulfill our mission as stated in Lee's Charge to guard the good name and history of Confederate ancestors and to assist our communities in the maintenance of our burial grounds.

Compatriots Bray and Ridenour are full Guardians in this program, and Commander Smoot is a Guardian Pro Tem. If any other compatriots are participating, please contact the editor for recognition.

More information on the Texas Division Guardian Program can be found in the July and August 2014 editions of this newsletter or at: <http://www.scvtexas.org/uploads/TexasDivGuardianProgram.pdf>.

The application is available at:

http://www.scvtexas.org/uploads/TD_Guardian_Application_Revised.pdf.

Presentation: William H.L. Wells

**Paul Ridenour
Adjutant
William H. L. Wells Camp
Plano, Texas**

Adjutant Paul Ridenour offered an illustrated presentation on the life and career of our camp's namesake, William Henry Lafayette Wells. Paul outlined his life's story through his birth in Bedford County, Virginia in 1840, through his service as a private soldier in various infantry and artillery units during the War Between the States, up through his life in Plano Texas as a farmer and gentleman of substance.

Paul reminded us that there are still tangible reminders of Mr. Wells in the Plano community, including his house on Coit Road (which is now the Sip and Savor restaurant) and Wells Elementary School on Mission Ridge Road.

Mr. Wells was the last living Confederate veteran in Collin County when he died at age 98 in 1939. He and his wife are buried at the Frankford Cemetery in far north Dallas. A picture of his Confederate grave plaque, as shown below, graces the Camp Facebook page.

Message from Commander Smoot

We had a rocky start to the new year in the form of ice and snow. The weather forced the cancellation and rescheduling of our February meeting from our usual Tuesday night to the following Thursday night. Additionally, the weather also caused the cancellation of the **Southern Cross of Honor Grave Dedication** ceremony for Pvt. John Mack at Concord Cemetery. This event will be rescheduled, and I hope that a number of us will be able to participate.

As I stated last month, I would like our goals to be recruitment, retention, and engagement. The goals are intertwined; if we can be engaged in the community with our fellow SCV members and with other heritage organizations, we can reach potential new members and retain our current ones.

Additionally, I call upon our members to be respectful of each other's opinion and considerate in their interaction with other in and outside of our organization. We can have differences of opinion and still remain civil in our relationships.

An organization such as ours faces some challenges in today's politically-correct and uninformed society. A generation of misinformation from the schools, churches, news media, and other opinion-forming institutions has tarnished the reputation of our ancestors and of heritage organizations that seek to remember and honor their sacrifices and contributions. We must represent ourselves to the public as reasonable men if we hope to counteract the negative perceptions that many hold of us and that our enemies encourage. We don't need to come across as extreme.

At the same time, we must speak out when our heritage is defamed or marginalized. I know many of us wrote to Washington and Lee regarding the flag controversy and to the state of Texas regarding the license plate issue. We also have the opportunity to be heard in preventing the removal of President Davis's statue at the University of Texas.

For those not familiar with this controversy, two students running for campus office at the University of Texas have filed legislation in the student government assembly to remove a statue of Jefferson Davis on the UT campus that was placed in 1933 along with other works to commemorate the reuniting of the nation after World War I. As is common now, the people clamoring for the removal see the statue as a monument to slavery, oppression, etc. Letters to the Board of Regents, especially from UT exes, will let them know how we feel. Contact information for the board can be found at: <http://www.utsystem.edu/board-of-regents/regents/contact-information>.

We can honor our ancestors and present a positive view to the community through participation in the many dedications and civic celebrations that are open to us. I list these on the **Calendar of Events and Activities** page that follows this message. (If you know of other events that I have missed, let me know.) If you cannot participate in uniform, come anyway. Your attendance is participation and a clear demonstration of your support.

As Past Commander Maynard has reminded us, this is our camp. Please help us be the best camp we can be.

I am always open to suggestions and can always use help.

Richard Smoot
