Shipping Rates (Outside Contiguous U.S.)

See table for Shipping and Handling Charges.

Canadian Shipments

Shipping charges on Canadian orders do not include customs fees and duties. These charges are paid separately by the customer. See table for Shipping and Handling Charges.

International Shipments

Shipping charges on international orders do not include customs fees, duties and taxes. These charges are paid separately by the customer. See table for Shipping and Handling Charges.

Tax Exemption

Please include your tax exempt certificate with your order if you have not done so previously.

Institutional Purchase Orders

We accept purchase orders.

Back Orders

A back ordered item is temporarily out of stock. If we cannot ship the product, you will be notified. Credit card orders will not be charged until they are ready for shipment.

Returns and Exchanges

For product returns, visit our web site using the URL below. From there, you may download a postage paid mailing label, which should be affixed to your package and returned to post office, collection box or postal carrier. Please include a copy of your invoice to ensure appropriate credit is provided and note the reason for the return.
